STEWART'S Home Made Bread, THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number lords of creation who believes that woman's place is in the home—and only there. His taste in a wife is an up-to-date woman who will prove herself a real companion. He knows that if she is a slave to her kitchen she can't enjoy the peace or have the interest in world affairs that a little extra leisure would make possible; and so he is pleased to eat MRS. STEWART'S HOME MADE BREAD—the loaf with the home made flavor.

The smiling, well-nourished kiddie doesn't look as though suffering because mother is progressive enough to buy good bread made by a bread specialist, instead of wearing out her life in the kitchen.

TO THE TRADE.

Owing to large stocks on hand I have made a large cut in prices of

PURE GOLD ICING and PURE GOLD JELLY

and am prepared to meet the quotations of any competing Canadian House while this stock lasts.

It would be wise to buy a few cases of the above goods as they are always good sellers, and whatever may happen to the Sugar market you won't get them at the prices I am now offering for another eighteen months at least.
