The History of \$30.75

One day last Fall \$30.75 was in the pocket of a popular postal official and it suddenly decided that it could purchase an Income Guaranteed for its owner. So it induced its owner to see our agent, the necessary arrangements were made, and our Policy went to the gentleman and \$30.75 came to our office to rest while before visiting our Home Office. Last month he became ill, causing four weeks' disability, and when we told \$30.75 about it, at Toronto, it immediately multiplied itself to \$100.00 and we have just given that amount to the gentleman.

"A friend in need is a friend indeed."

There's a moral to the story of \$30.75.
