CAR JUMPED THE TRACK

And Fourteen Persons Were Injured.

A Keeper Trampled to Death by a Vicious Bull at Niagara Falls.

Young Rancher Poisoned by Eating Canned Chicken--Another Victim of the New York Fire.

FELL BENEATH A CAR.

Toronto, Feb. 25.--William Foley, 151 Farley avenue, an elderly man, slipped on the snow and fell beneath a car on Bathurst street yesterday morning. He was probably fatally injured. His left arm was amputated at the emergency hospital.

CANNED CHICKEN DID IT.

Calgary, N. W. T., Feb. 25.--A young rancher named Eric McKay has been poisoned by eating canned chicken. He died after two days' illness.

SHOT HIMSELF.

Banff, N. W. T., Feb. 25.--Wm. Jack, a shoemaker, committed suicide here by shooting as a result of despondency from ill-health.

FOURTEEN PERSONS HURT.

Jackson, Mich., Feb. 25.--Yesterday a suburban car on the Detroit, Ypsilanti, Ann Arbor and Jackson Electric Line, west bound, was wrecked while running at high speed around the sharp curve just east of the city limits, and fourteen persons were injured.

The passengers who were hurt are: Rev. Herbert, of Grass Lake; Charles Whitaker, of Chelsea; and Whitaker, Sandwich; M. J. Lehman, Detroit; Mrs. Emma Simpson and daughter Mary, Chelsea; Fred Schmidt, Ann Arbor; P. A. Rowley, Van Wert, Ohio; Otis Hough, Marcellus; Ora Moore, Sunfield; Fred Brosamle, Chelsea.

The car was thrown from the tracks and rolled over on its side, the trucks running on for some distance. It is little short of a miracle that no one was killed.

KILLED BY A BULL.

Niagara Falls, Feb. 25.--Telephones Selg, a brother at the Carmelite monastery at Fall's View, was killed by a Jersey bull on Saturday. Brother Telephones, who was employed as a farm hand, is supposed to have gone into the stall where the bull was kept to feed him, when the bull attacked him, killed him and trampled him to death. The brother was found dead with the animal standing over him. Brother Telephones had been connected with the monastery and had been in the past fifteen years, he having come from Germany, and was 50 years of age. The bull was never known to be a vicious one.

KILLED ON THE WABASH.

Minneapolis, Feb. 25.--Frank Way, aged 24, who lived with George Dible, one-half mile north of Cone, was struck by an east-bound fast train on the Wabash, due here at 11:10 a.m., and instantly killed. Way was walking on the track.

BRACKMAN KILLED.

Philadelphia, Feb. 25.--Two freight trains on the P. and R. Railway collided yesterday near Ridgeport, Pa., about five miles from the city. Conductor George Delancy, of Philadelphia, was instantly killed, and Brackman Cook, Brackman McKimney and Brackman Schwenk, also of this city, were badly injured. The wreck was due to the lack of signal facilities, owing to the destruction of wires by the recent storm.

ANOTHER FIRE VICTIM.

New York, Feb. 25.--Mrs. Carolina L. R. Hall, of Newark, N. J., who was burned in the Park Avenue Hotel fire Saturday morning, died yesterday in New York hospital. She was 80 years old, and was the widow of the Rev. Dr. Samuel E. Hall, who was secretary and treasurer of the Seamen's Friend Society.

EXPLAINED.

"There is a very intimate nervous connection between the brain and the stomach," said the scientific man. "That explains it," answered the humorist, "who is willing to learn."

"The reason why nearly every big political alliance or financial deal has failed, owing to the destruction of wires by the recent storm."

MUNYON'S DYSPEPSIA CURE

When Prof. Munyon says his Dyspepsia Cure will cure indigestion and all forms of stomach trouble, he is not bluffing. It will cure a stomach that has been abused by over-eating and over-drinking. It will cure a stomach that has been weakened by old-style drugs. It will do much toward making an old stomach act like a sound one. At all druggists, 25 cents. Fifty-six other cures. Munyon, New York and Philadelphia.

MUNYON'S INHALER CURES CATARRH.

A SHARP BLOW TO THE STOCK MARKET.

Henry Clews & Co.'s View of President Roosevelt's Recent Decision.

New York, Feb. 24.--Henry Clews & Co.'s circular of Feb. 23, says: "The action of the administration against the Northern Securities Company was a sharp blow to the stock market, and will be likely to deprive it of much of the support given upon the expectation that the merger would be sustained in the courts. As other important mergers than the Northern Pacific and Great Northern were under way, and would undoubtedly have been carried through in event of a favorable decision, the various bankers' plans for combination will meet with much delay if not final defeat, depriving the market of one of its recent supports. It is not to be supposed, however, that these plans will be quietly abandoned. The case will be stubbornly contested in the courts; and, if this method of controlling competition or giving community of interest some tangible form through security-holding companies is not successful, other means will unquestionably be attempted. It is far better, therefore, that the uncertainty should be settled before the creation is ventured of a vast mass of securities whose legal status could be upset after they had been distributed among the public.

"The market will require some time to recuperate from the disappointment of the Northern Securities developments. Considerable liquidation has resulted and more may follow, as large quantities of stocks have been held in anticipation of a favorable decision. The outlook now is for a prolonged contest between legal giants. The issues are finely drawn, and no one can foresee the final decision of the Supreme Court, which it may be months and perhaps years in rendering. Stocks will now have to sell more closely on their merits, and the holders must educate themselves that their value is now dependent upon present national prosperity and not upon indefinite 'community-of-interest' actions."

Drugging Will Not Cure Catarrh.

This loathsome disease is caused by germs that invade the air passages of the head, throat and lungs, and can be cured only by inhalation of medicated air. Stomach medicines, atomizers, snuffs are ineffectual, because they fail to reach the cause of the trouble. Catarrh is successful because it is inhaled to every part of the breathing organs, and has power to kill the germ, heal the inflamed tissues and prevent droppings in the throat. Catarrh treats more than one thousand square feet of the mucous surface with every breath taken through the inhaler and affords instant relief. It perfectly cures catarrh, asthma and bronchitis. Sold by druggists. Two month treatment, price, \$1. Small size, 50 cents, or by mail from Polson & Co., Kingston, Ont.
