Detroit, Aug. 25.—Playing like the team that has twice captured the honors in the American League races, Detroit yesterday placed itself on even terms with Philadelphia, by humbling the Mackmen in a grueling battle, the score being 7 to 6. With the Athletics in possession of what seemed a ponderous advantage-four runs-the Tigers began one of their old-time rallies, that ended

only when the Champions had forged to the lead. To the huge weekday crowd, numbering close to 10.000 intensely excited fans, each realizing the importance of the series between the clubs, Philadelphia's advantage secured in the opening innings seemed insur mountable. It was with all the more glee, therefore, that the victory snatched from the visitors was received by the fans.

Game a Whirlwind. Philadelphia proved a worthy foe in the first of three struggles scheduled for Bennett Park. Probably not before this season have two teams Philadelphia 2 2 0 0 1 0 0 0 1—6 triple, and drove in four of Cleveland's lought so desperately to land victori-

Donovan struck him out. Davis followed and he was forced to fly to Crawford. And thus ended the hard-fought duel.

Donovan to Rescue.

When Jennings replaced Summers with Donovan he made his strategic move. Philadelphia had found no difficulty in connecting with the "Big Chief" and he was found for an even dozen hits. Had not "Bill" condescended kindly to extricate his teammates from the alarming situation the final score would undoubtedly have read differently.
