Havana, Cuba, Dec. 5.—The Detroit Tigers completed their series of games on the island this afternoon by beating Almendares 6 to 3. This makes seven victories and four defeats for the visitors, while they tied one game, a record considerably better than that made in 1909. The Havana Reds gave the Americans a good battle, winning three from them and losing three, while Almendares were beaten four times and won a single game. Philadelphia opens a series tomorrow. Heavy hitting was responsible for today's result, the Detroiters getting to Mendez for 13 safeties. Summers also was found freely, yielding 10, but he succeeded in keeping them fairly well scattered.
