

Family Cured of Eczema

By Cuticura Remedies

"The Cuticura treatment has absolutely cured me and family of eczema which I, my wife and two-year-old child had for eight months. It started with small pimples on the head of my child which gradually broke out in sores, and it was not long before I and my wife got the same. Our heads were one mass of sores, we could not sleep and the itching was terrible. We suffered for eight months. We tried different kinds of ointments and medicine but it did us no good and soon it began to break out on our bodies until a friend who had the same trouble told me about Cuticura of which I used two sets of Cuticura Soap, Cuticura Ointment and Cuticura Resolvent, and I was surprised. After the first few days our heads began to heal and in two months we were absolutely cured of this terrible eczema."

HARD COAL PRICES WILL REMAIN SAME

Anthracite Is Now Selling at Seven Dollars a Ton in London.

Local coal dealers state that there is little chance of an increase in price next month in hard coal.

It was reported that owing to the shortage of cars for the grain traffic, dealers in many places would be unable to get supplies, and that prices would advance. Local dealers state that they all have large stocks on hand and plenty to carry them over until cars are moving freely again.

Anthracite coal is at present selling at \$7 a ton, and they expect it to remain at that price.
