A tourist named Hermann has been killed by an accident in the Alps. The Mansen, the Danish explorer, has been presented with the Ritter medal by the Berlin geographical society. The American residents of Paris are taking steps to raise a fund for the Pennsylvania flood sufferers. The ditor of the Bavarian Father-land has been sentenced to six weeks imprisonment for libelling the dowager queen of Bavaria. Tresident Van Horne was expected to arrive at Winnipeg last night, en route to the Pacific Coast. Edward Hornbostel, of Guelph, was run over by a freight train yesterday and killed. Mra. Snell extends the offer of \$50,-000 for Tascott's capture to ten months. She says if this sum will not bring him back no amount that she could offer would.

through British Columbia is as near as reasonable the attitude of Canada has may be in the 56th parallel of latitude. been conciliatory. The United State chose to take offence at the sympath; tinental road joining the Canadian Western will not come within felt for the South by the people of Great Britain, and in a pet put an end to the at least 200 miles of the Peace River country. Our readers will see from first reciprocity treaty, which was work this that it will matter very little to the builders of the projected road who owns a comparatively small tract in the north quietly and self-reliantly took measures east corner of this province.

It is somewhat singular that our cor respondents avoid an examination into the actual value of the Pesce River part the actual value of the Peace River part

to get along without reciprocity, and they were tolerably successful. They

<text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text> The position of the President of the were, however, ready to enter into any United States is at present far from be-ing a pleasant one. He is beset by office-seekers. These office-seekers are of anybins for divertised as the birthday anniver-sary. He is one of the best known and,

an examination into the merits of it.
Before making a grant to the Okanogan
Railway Company the Government felt
it to be its duty to send a surveyor to
explore the country throngh which it
twas projected. If in a small matter
on ordinary prudence required this, surely
a thorongh knowledge of the Peace
Valley lands is necessary before any ac
to in as transferring to the Dominon
a a noreage of land larger than a belt as
long as from here to Cowichan and as
long as from here to Cowichan and as
long as from here to Cowichan and as
long as from here to a consideration which
I think, Mr. Editor, should put an end
to all thoughts of a land exchange. It
is this: North of the Yale district,
which is opened up by the C. P. R.
there is a vast country, extending for
G00 miles, with greater resources than
Yale district, which aseolutely require,
for orince should be sacrifice another
it is for the best interests of this province
for example the Peace Valley lands; by
making a grant of a portion of them to same the construct.
a thing a grant of a portion of them to same the construct.
a thaway through that district. Take
for example the Peace Valley lands; by
making a grant of a portion of them to same the construct.
a thing a grant of a portion of them to sample the Peace Valley lands; by
making a grant of a portion of them to saccure the construct.
a thing a grant of a portion of them to saccure the construct.
a thaway through the Peace
valey to the coast, which would open
a thing the lande and the peace
valey to the coast, which would open
making a grant of a portion of them to saccure the construct.
a thing a grant of a portion of them to saccure the construct.
