Both the white men and back, and most of the destitution will be Indians were looking forward to this in those countries." long promised visit, and the Indian boys at the Industrial school and the girls in the home had put up streamers containing words of welcome for the distinished visitors. The Bishop had kindly brought his magic lantern, and a meeting was arranged the same evening the exhibition of the slides one of the native Christians read an address of welcome, at the same time presenting His Lordship with a neatly bound copy of the Gospels and praverbook, printed and the Gospels. He said that these would always be a happy recollection of him. The slides, the subject being taken from the life of our Lord, were much appreciated, some of them being most

eautiful. On Thursday the Bishop, Miss Perrin, Rev. A. J. Hall and other members of the Mission party, with Mr. R. H. Pid-cock, started in the Evangeline to visit some of the neighboring tribes at Mama-lill-il-kula and Gwiyi. It was a charming morning and the little steamer in the hands of the Indians sped quickly on her way, soon reaching the first named place At the service which was held the Bishop spoke kind and cheering words through an interpreter, one of the chiefs thanking him for coming and speaking to them. After a further really pretty scenery, the inside passage being as calm as a lake, Kingcome was entered, steaming close to the base of a huge mountain, almost perpendicular. Just before entering the river a very striking picture of snowtipped mountains was seen, which was not lost on the Bishop, who singled this out for his kodak the next day. About a mile up the river anchorage was made for the night, and after landing all pro-ceeded to the house of one of the settlers, who at once acceded to the wish of the Bishop to hold a service. It was a hearty meeting and was much appreci-The next thing was refreshment, after a somewhat long fast. Then all departed to their several sleeping abode,

of about fifty, immense fellows some of them, were stirred up. The Indians here constitute one of the largest tribes, and at the service of the bishop gave then some good sound advice. He was replied to by three chiefs who were keen enough to seize the occasion to make known their grievance, which was that the colachans were not running at all well this year, and they endeavored to lay the cause to the presence of the white men. How-They Threaten to Retaliate on the ever, they expressed themselves glad to see the Bishop, and thanked him for his words. WESTMINSTER.

WESTMINSTER, May 2.- The proposition of the Consolidated Railway and Light Co. to build an electric railway from Westminster to Steveston was discussed at a meeting held on Thursday evening in the Mayor's room, city hall Barnard, M.P., Horne Payne and others, representing the C. R. & L. Co. In addition to the company's proposal there was one submitted by the council and board of trade. Nothing definite was done, however, but the several matters dealt with will come up for further consideration at a later date, probably one day next week. A special trip of the tram cars from Vancouver to New Westminster and back was made for the several gentlemen connected with the L. Co. The car was decorated with flags and native flowers, bouquets of flowering current, trilliums, etc., having been tastefully arranged.
