

SHOWS HIS FAITH IN CITY'S CREDIT

Lieut-Governor Dunsmuir Purchases the Issue of Local Improvement Debentures, Amounting to \$55,726, at Par

His Honor Lieut. Governor Dunsmuir received 96 cents, which secured the issue, while in Vancouver the price was 92 cents and when the bidder was called on to take up his stock he defaulted.

The fact that a local bidder has secured the whole of the issue will likely have a material effect on the rating of Victoria in the East and will attract the attention of the money lenders of the world.

The first issue of the debentures will be for \$10,726 and during the next two months the Hon. Lieut. Gov. will be upon to take up the remainder of the issue, amounting to \$45,000.

The debentures are dated May 8, 1906, and will mature on May 8, 1910, and will bear interest at 4 per cent per annum, payable half yearly. They have been issued under the provisions of the local improvement by-law, mostly for work done on permanent sidewalks.

The tenders for the debentures were received on Monday evening. They were opened yesterday morning by the finance committee and the city auditor, and His Honor was notified during the afternoon that his tender had been accepted.

HARTFORD TROUBLES.

Committee of Policyholders Wants Accounting of Safety Fund.

Hartford, Conn., Oct. 23.—The suit of the committee of policyholders against the Hartford Life Insurance Company and the Security Trust Company to secure an accounting of the so-called "safety fund" is based entirely upon the alleged failure of the officers of the Hartford Life Insurance Company to make a proper distribution of this fund.

The Hartford Life Insurance Company was originally incorporated in 1867, and although its name was changed from that under which it was first incorporated, and its charter amended at different times, it is still doing an active business in many forms of insurance. The writ does not make any reference to the present business of the company except as relating to the "safety fund" plan. Are You Tired, Nervous and Sleepless?

Nervousness and sleeplessness are usually due to the fact that the nerves are not fed on properly nourishing blood; they are starved nerves. Dr. Pierce's Golden Medical Discovery makes pure, rich blood, and thereby the nerves are properly nourished and all the organs of the body are run smoothly as machinery which runs in oil. It is why you feel clean, strong and vigorous, and you are good for a whole lot of physical or mental work. Best of all, the strength and increase in vitality and health are lasting. The trouble with most people is that they take a short time, is that they are largely composed of alcohol holding the drugs in solution. This alcohol strikes up the work, and in the long run greatly injures the system. One may feel exhilarated and better for a time being, yet in the end weakened and with vitality decreased. Dr. Pierce's Golden Medical Discovery contains no alcohol. Every bottle of it bears upon its wrapper the *Badges of Honesty*, in a full list of all its several ingredients. For the druggist to offer you some inferior stuff is just as good as to insult your intelligence.

Every ingredient entering into the Golden Medical Discovery has the unanimous approval and endorsement of the leading medical authorities of all the several schools of practice. No other medicine sold through druggists for like purposes has any such endorsement.

The "Golden Medical Discovery" not only produces a good effect to be obtained from the use of any medicine, but in all stomach, liver and bowel troubles, as in dyspepsia, biliousness, constipation, nervousness, indigestion, and all kinds of ailments, but the Golden Seal root used in its composition is a greatly enhanced in its curative action by other ingredients such as Senna root, Black Cherry bark, Bloodroot, Mandrake root and chemically pure triple refined glycerine.

The Common Sense Medical Adviser, is sent free in paper covers on receipt of 31 one-cent stamps to pay the cost of custom and mailing only. For 50 stamps the cloth-bound volume will be sent. Address Dr. R. V. Pierce, Buffalo, N. Y.

Chase's Kidney-Liver Pills are marvelously prompt and certain as a cure for sluggish action of the liver. While awakening the liver they also regulate the bowels and invigorate the kidney action.

In this way the filtering and excretory systems are thoroughly cleansed of all poisonous impurities and the cause of pain, sickness and suffering removed. Every family there is need of just such a medicine as Dr. Chase's Kidney-Liver Pills to cure constipation, backache, biliousness, indigestion and prevent dangerous and fatal diseases of the kidneys and bowels.
