safe to say that good serviceable roads can growing belligerent feelings between Russia now be built for less than half the cost that was thought necessary sixteen or seventeen was thought necessary sixteen or seventeen years ago. So we have no doubt, that the bonus of \$3,000 a mile, which the government propose to give, will encourage the ment propose to give, will encourage the maintain the peace of Europe; another, and government be out?"

A very bad accident nappened to a work and passenger train on Friday evening 21st., the bugle.

A very bad accident nappened to a work and passenger train on Friday evening 21st., the bugle.

The new United States census gives 92, Sweet Briar Creek, some nineteen miles west of Bismarck. One account represents him as using all his power and influence to maintain the peace of Europe; another, composed of flat cars next the engine, following P. S.:—"When will this d—d Government be out?"

Whom he considered qualined to decide the questions asked by the Chief Secretary for the bugle.

The new United States census gives 92, 653 Protestant churches, 71,662 Protestant ministers, and 9,003,030 members of Protest-ant churches.

White Pillow Cottons, ment propose to give, will encourage the forming of companies all over the Province. No part of it need be without railways, as the government bill like the old Lobster Act will have "claws" everywhere. The new facility bill, with the exception of the amount of bonus, will be a renewal of the total run their course, and that he has made up his mind to let amount of bonus, will be a renewal of the termin and solutions are which and store cars. The train was going at a target the made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has made up his mind to let amount of bonus, will be a renewal of the termin and that he has the head truck and that he has made up his mind to let amount of bonus, will be a renewal of the termin and the head truck and the whole truck jump and the truck are next the engine, followed by two sleeping cars, dining, kitchen and churches.

It is proposed the twenty years ending with 1880 and churches.

During the twenty years ending with the entertainment, the following and the theorem. The train was going at a there were eondemned to death in England and Welexenter, and 0,003,030 members of Protest—and the theorem, the following and the truck of the termin was going at a amount of bonus, will be a renewal of the old acts as to the terms and conditions on which the subsidies will be paid out under it, which will be same as under them.

But, we are wrong, as there will be a feature in the new bill which was not in the old. It is one which creates much talk and old in the talk. As the short curve leading to the truck. As the short curve leading to the base of the bridge attributable the honour of being the celebrated rifle shot. To him is clearly the calk the truck must have the truck must have attributable the honour of being the calk the truck must have of England's volunteer army.

One of the latest theories advanced is that the truck must have of England's volunteer army.

One of the latest theories advanced is that the celebrated rifle shot. To him is c

Trunks, Valises,

Trunks, for tress city, on the rock, where Champlain aid the foundation of Canada nigh three conturies ago. There is a charm and an attemporary and the common of the control of the common of t

conturies ago. There is a charm and an atmosphere about the quaint old place, which is not felt in any other city on this continent. The noble poet, mingling historic memories with descriptive touches, vividly portrays the feelings of those who for the first time have paced its thoroughfares and descended its "stair like streets," and from terrace, its "stair like streets," and discontent. Not a word do the Queen's like streets, "and from terrace, its "stair like streets," and street stair like streets, "and from terrace, its "stair like streets," and street stair like streets, "and from terrace, its "stair like streets," and street stair like streets, "and street stair like streets," and street stair like streets, "and street stair like streets," and street stair like streets, "and street stair like streets," and street stair like streets, "and street stair like streets," and street stair have paced its thoroughters and descended its "stair like streets," and from terrace, and discontent. Not a word do the Queen's most loyal Irish subjects propose to say in their address in the way of thanks for the pass-

looked down on gittering roofs and on the broad and busy St. Lawrence. He has thoroughly entered into the spirit of the place, and sympathised with its grand and picturesque surroundings in all their aspects. He presents the instorico-poetic view of Quebec, and the man is to be pitted who is so utilitarian that he cannot feel the beauty of the picture, and who sees in Quebec only an old, huddled up, inconvenient, unprogressive, unenterprising and priest ridden town. The poem closes with a fine tribute to the grandeur of Anada, and a generous hope, whatever in least granded to Ireland, and that the persons of Canada, and a generous hope, whatever changes may occur, that its future will be great, prosperous and peaceful.

There will probably be less Baltic timber in the English markets the comin season than usual. Owing to the extreme mildness of the extreme mildness of the early winter in Sweeden and in the Russian and Finnish districts, it is said that the cannot feel the beauty of the picture, and who sees in Quebec only an old, huddled up, inconvenient, unprogressive, unenterprising and priest ridden town. The poem closes with a fine tribute to the grandeur of canada, and a generous hope, whatever changes may occur, that its future will be greater than it would otherwise be.

N. B.

All,

There will probably be less Baltic timber in the English markets the comin season than usual. Owing to the extreme mildness of the wrote as follows on the commitment of a work and the man is to be pitted who is so utilitarian that he cannot feel the beauty of the picture, and who sees in Quebec only an old, huddled up, inconvenient, unprogressive, unenterprising and priest ridden town. The poem
