FACTS

CONCERNING THE POPULAR BELL PIANO

BELL PIANO

Ontario Agricultural College, Guelph, June 4, 1889. Messrs. W. Bell & Co., Guelph, Ont.

Dear Sirs:--Pianoforte Style B, purchased from you last September, has, I am very pleased to be able to say, given us every satisfaction.

The tone is particularly good, so much so that the instrument is a favorite with all who have tried it.

I can assure you it has been tested by a number of very excellent judges.

The style of the workmanship would do credit to any country. It should be a matter of congratulation to Canadians to know that our country produces an instrument that, I am satisfied, will compare very favorably with those produced in any part of the world.

Yours truly, THOMAS SHAW, Professor of Agriculture.
