THE JOY OF MOTHERHOOD

Came to this Woman after Taking Lydia E. Pinkham's Vegetable Compound to Restore Her Health

Ellensburg, Wash.—“After I was married I was not well for a long time and a good deal of the time was not able to go about. Our greatest desire was to have a child in our home and one day my husband came back from town with a bottle of Lydia E. Pinkham's Vegetable Compound and wanted me to try it. It brought relief from my troubles. I improved in health so I could do my housework; we now have a little one, all of which I owe to Lydia E. Pinkham's Vegetable Compound.”—Mrs. O. S. JOHNSON, R. No. 3, Ellensburg, Wash.

There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in most cases would readily yield to Lydia E. Pinkham's Vegetable Compound. Such women should not give up hope until they have given this wonderful medicine a trial, and for special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of 40 years experience is at your service.

Every man who served in the Canadian army will receive free medical attention for one year.

Helium there must be an accounting, and if Tardos Mors had not returned I feared that the emity of Zat Arras might weigh heavily against us, for he represented the government of Helium.

To take sides against him were equivalent to treason. The majority of the troops would doubtless follow the lead of their officers, and I knew that many of the highest and most powerful men of both land and air forces would cleave to John Carter in the face of god, man or devil.

On the other hand, the majority of the populace unquestionably would demand that we pay the penalty of our sacrifice. The outlook seemed dark from whatever angle I viewed it, but my mind was so torn with anguish at the thought of Dejah Thoris that I realize now that I gave the terrible question of Helium's plight but scant attention at that time.

There was always before me, day and night, a horrible nightmare of the frightful scenes through which I knew my princess might even then be passing—the horrid plant men, the ferocious white apes.

At times I would cover my face with my hands in a vain effort to shut the fearful thing from my mind.

It was in the forenoon that we arrived at the mile high scarlet tower which marks greater Helium from her twin city. As we descended in great circles toward the navy docks a mighty multitude could be seen surging in the streets beneath. Helium had been notified by radio-aerogram of our approach.

From the deck of the Xavarian we three—Carthoris, Tars Tarkas and I—were transferred to a lesser filer to be transported to quarters within the temple of Reward.

It is here that Martian justice is meted to benefactor and malefactor. Here the hero is decorated. Here the felon is condemned. We were taken into the temple from the landing stage upon the roof, so that we did not pass among the people at all, as is customary.

Always before I had seen prisoners of note or returned wanderers of eminence paraded from the gate of Jed-daks to the temple of Reward up the broad Avenue of Ancestors through dense crowds of jeering or cheering citizens.

I knew that Zat Arras dared not trust the people near to us, for he feared that their love for Carthoris and myself might break into a demonstration which would wipe out their superstitious horror of the crime we were to be charged with.

What his plans were I could only guess, but that they were sinister was evidenced by the fact that only his most trusted servitors accompanied us upon the filer to the temple of Reward.

We were lodged in a room upon the south side of the temple, overlooking the Avenue of Ancestors, down which we could see the full length to the gate of Jeddaks, five miles away. The people had gathered in the temple plaza and in the streets for a distance of a full mile and were standing as close packed as it was possible for them to get.

They were very quiet and orderly; there were neither scoffs nor plaudits, and when they saw us at the window above them there were many who buried their faces in their arms and wept.

Late in the afternoon a messenger arrived from Zat Arras to inform us that we would be tried by an impartial body of nobles in the great hall of the temple at the first zode on the following day, or about 8:40 a. m., earth time.

Miller's Worm Powders are not surpassed by any other preparation as a vermifuge or worm destroyer. Indeed, there are few preparations that have the merit that it has to recommend it. Mothers, aware of its excellence, seek its aid at the first indication of the presence of worms in their children, knowing that it is a perfectly trustworthy medicine that will give immediate and lasting relief.

Don't Hill Potatoes

Potatoes given level cultivation averaged 124 1/2 bushels per acre, hilled once 113, hilled twice 90, and hilled three times 53. These are the results of an experiment at the North Dakota station in 1918.

Worms in children, if they be not attended to, cause convulsions, and often death. Mother Graves' Worm Exterminator will protect the children from these distressing afflictions.

World's Biggest Flagstaff

The flagstaff, measuring 215 feet in height, which is to be erected shortly in Kew Gardens, is almost, though not quite, the biggest thing of its kind.

The tallest flagstaff stands in San Francisco, where it was a feature of the exposition in that city four years ago.

It stands 222 feet above the ground, and was floated down the Pacific from Astoria, Oregon, whose citizens presented it to the exposition.

It carries at its summit a Stars and Stripes 1,058 square feet in area—the biggest flag ever flown.—Tit-Bits.

Farmers Buy Ford Trucks Because

they save labor, save time, save money.

The Ford Truck is the most general-purpose implement on the farm.

The farmer can get his breakfast at home, take his produce to market, and be home again for dinner.

He can command the highest prices for his vegetables and fruit because he gets them to market while the dew is still on them.

He can take his hogs, sheep and other stock to market, as well as haul roots, potatoes and apples from the field.

The Ford Truck brings the city to the farmer's door.

It solves the problem of the shortage of labor.

UND GUILTY OF NEGLIGENCE

THREE YEARS' PUNISHMENT FOR MAN WHO ALLOWED A SERIOUS SITUATION TO DEVELOP.

Failure to take proper precautions has been responsible for many deaths, is the cause of much suffering and hardship to-day. Like the case of Wm. Dunn, 313 1/2 St. East, Toronto, Ont. Mr. Dunn was a chronic rheumatic sufferer ten years. Three years of that ten years he spent in bed suffering indescribably. Picture the joy of this man finding that Templeton's Rheumatic Remedies were restoring him to some health again. Here are a few extracts from his letter to us: "During the last ten years I have been laid up with Rheumatism. One attack confined me to my bed for a year, and a second attack left me helpless for over two years. After I had tried almost everything, a friend got me a box of T.C.'s, and a few doses convinced me that I had at last found the proper remedy for my trouble. T.C.'s improved my condition rapidly, and I had that it had not been for T.C.'s I could have been laid up for years. T.C.'s are certainly wonder workers. Try them."
