Morin, Lib-eral, having been elected by a reduc-d majority over Hon. A. Fauteux, Conservative. Mr. Morin's majority however, was reduced when compared with the Liberal majority given at the time of the general elections in October, the figures being 473 and 74 respectively. There was some ex-peration that Ste. Rosale, the re-togaized Conserverye Parks of the county, would now a much stronger, two the figures deve being the the in the general elections Ste. Former M. P. Arrested The arrest of J. A. M. Armstrong former member of Parliament for North York, on two charges of theft caused something of a furore in To-ronto and the vicinity where the for-mer member has been so well known for many years. His arrest followed investigations made after the arrest of H. K. Coffey, until recently man-ager of the Imperial Bank at Schom-berg, and at one time business associ-ate of Armstrong?. The latter is charged with theft of \$2000 from Sarah Mills, the allega-tion being that the money was given to hm for investment and appropri-ated. There is a second charge of theft of \$1,511 from the estate of Richard Carter on which the two men are charged jointly.

God is ever good and kind. Health of body, sound in mind, Food, and clothing too, iven to the most of us Grudging not the cost of us If we're good and true.

And He gives us self control Over body, mind and soul, If we but use it Makes us captain of our barge But it is a holy charge Do not abuse it.

So it makes Him very sad When we're sulky, naughty, bad, For He loves us so, Likes to hear His children sing See them on the joyful wing And to goodness grow. Circse the curching of His grace

And to goodness grow. Gives the sunshine of His grace Grips our hand in every place Hears our humble cry. When we stumble into sin Helps us gladly to begin— Anew! If we but try.

Leads us gently; we're His ward For we find the way is hard Environment is planned Knows exactly what we need And the things for which we plead And all that we can stand.

Let us happily obey Never dream of saying nay To His kind demand For He longs to be our guide And He's always by our side Grasp Him by the hand.
