LION, THE MASTIFF FROM LIFE

By **A. G. SAVIGNY**

With Introduction by **REV. PRINCIPAL CAVEN, D.D.**

CLOTH, 50 CENTS NET

An ingenious and clever humane story in which "Lion" tells the narrative of his life, to quote Principal Caven, "with more vivacity than some famous men have exemplified in memoirs of themselves." It should be in the hands of every boy and girl in Canada. The author has woven into her story a great deal of useful information to guide us in our treatment of dumb animals.
