Evangelist, *Evangelist* writes as follows, and sends two more for friends: "I received the book, *Gold from Ophir*, one of the best books I have ever seen. Every Pastor, every Evangelist, yes, every Christian Worker should have a copy."

Gold from Ophir is the title of a choice volume of Bible Readings, compiled by Rev. James E. Wolfe, Evangelist. It is a very instructive and practical work, containing more nuggets from the writings of the author and his contributors. The "Suggestive Thoughts and Prayers" are original and unique. Every Christian Worker should secure a copy."
