THE AMERICAN MONTHLY REVIEW REVIEWS

THE "NECESSARY" MAGAZINE

The best-informed men and women in the world use the **AMERICAN MONTHLY REVIEW OF REVIEWS** to keep well informed, and call it the "necessary" and "indispensable" magazine. In the busy rush of to-day ambitious men and women must know about the important questions of the month, and not only this, they want to know about them at the right time. When the whole country is puzzled over the gigantic combination of trusts, a well-informed article is printed in the **AMERICAN MONTHLY**, giving the facts, and its editor discusses the theory; when the Dreyfus affair is in everyone's mouth, the best story of Dreyfus and the great case comes out in this magazine.

Every month, in "The Progress of the World," Dr. Albert Shaw gives a comprehensive picture of the world's history during the previous thirty days. In the departments, the valuable articles and books that have been published during the past month are reviewed and quoted from, so that the readers of the **AMERICAN MONTHLY** can get the gist of them. In every issue nearly a hundred pictures are printed, including the portraits of the men and women who are making the history of the month.

To be thoroughly well informed helps any man or woman in his or her work. A subscription to the **AMERICAN MONTHLY REVIEW OF REVIEWS** represents an investment for the best kind of profit, as well as entertainment. One subscriber has just written: "Count me a life subscriber, and when you send me a number beyond the limit of my subscription and secure no renewal from me, consider it a notice of my death."

Price 25 cents per number, \$2.50 a year.

A sample copy will be sent on receipt of ten cents in stamps.
