Telephones

THE "UNIQUE"

MAIN LINE AND WAREHOUSE

TELEPHONES.

These Telephones are thoroughly well made and will stand the constant use to which they are subjected.

There is no economy in buying instruments that will give out after short use and become a constant source of worry and expense.

Competitive tests have proved the "Unique" to be superior to others.

The "UNIQUE" is the simplest and most efficient Electric Telephone made. It has no spring or screw adjustment in Transmitter to work loose.

SOLD OUTRIGHT. NO EXORBITANT ROYALTIES.

The "UNIQUE" has the only Transmitter that never gets out of adjustment, and is always the same, viz., clear and distinct, either on long or short distances.

Illustrated Telephone Price List fully describing these will be sent on application; also our Catalogue of General Electrical Supplies.
