The Catholic Weekly Review

Sir :

We take pleasure in sending herewith a Specimen Copy of The Catholic Weekly Review. We believe that it is a publication which, in its principles and aims, not less than in the literary quality of its contents, needs only to be known to you to secure to it your sympathy and support. If in the past it has been an unfamiliar acquaintance, we should be glad to have you welcome it henceforth as a friend.

Yours, Faithfully,

THE CATHOLIC WEEKLY REVIEW.
