Xmas Fancy Goods, Toys, Dolls.

The new North catalogue of holiday fancy goods, toys and dolls is the most complete ever published in Canada. It contains 230 pages, over 1,500 cuts, and lists nearly 400 lines of the newest and most saleable fancy goods, toys, dolls, novelties, fancy china, toilet sundries, pipes, etc. A post-card to Patrick & Co., Toronto, will bring a copy of this fine catalogue to any dealer.

Health Officer Labarge, of Montreal, has reported to the civic health board that in addition to finding adulteration in nineteen out of twenty-one samples of catsup, that he had secured samples of strawberry jam and preserves in a number of stores in which there was an utter absence of strawberries or sugar. "The concoction is composed of glucose, turpentine, millet-seeds and analine coloring," said Dr. Labarge. This stuff is made in Montreal.

It is a curious thing that a merchant will go to endless trouble to see that his "letter heads" are printed to suit him, but will not bother his head for what is perhaps more to the purpose—the printer's head about the appearance of his ads. His letter heads generally go to the wholesale dealers, who buy nothing from him, or to customers who are on the black list. The ad. is read by the public, and the public must be pleased if he would secure from that public his patrons. It would seem unreasonable that an advertiser should see a proof of his ad.—Exchange.
