

MARRIED,

On Tuesday the 20th January, by the Rev. John A. Mulock, Mr. John V. Griffis, to Miss Deborah Trum-pour, both of Adolphustown.

DIED,

Early on Thursday morning, the ninth ultimo, the Rev. Thomas Sutton, D.D., Vicar of Sheffield, Canon of York, and Rural Dean. The deceased pastor of this parish will be the most deeply and affectionately regretted by those who knew him best, while his straightforward integrity, and the many public benefits of which he has been the chief instrument, during his incumbency, will long secure to him a place in the grateful remembrance of the parishioners at large. He was forty-seven years of age.

John James Audubon, the ornithologist, at his residence on the banks of the Hudson, Jan'y, 27, 1851, aged seventy-six years.

On the thirteenth instant, at the age of fifty-two, Ann, Wife of Mr. Joseph Waffit, Sexton of St. Mary Magdalen's Church, Picton.

On the 6th instant, at her residence in Kingston, C. W., Catherine, relict of the late Henry Murney, Esq., aged 73 years. This estimable lady combined rare moral endowments, with great kindness of heart and a truly religious character. Her loss will be long felt in a community among whom she had lived for the best part of half a century, and whose respect and good-will she had earned and enjoyed; while in a large circle of relatives and friends her death has left a void which none on earth can fill.

THE PHYSICIANS' USE.

Wistar's Balsam of Wild Cherry.

So says the "Morning Chronicle," Quebec, July 22, 1848. It is but an act of common justice to the discoverer of this invaluable remedy, to make known the popularity it has acquired in Quebec, and its neighbourhood. On inquiry of the Agent, we learn that his sales of this medicine are almost daily on the increase, and that its virtues in the cure of Coughs and Colds are known and appreciated, as extensively recommended by the most eminent medical practitioners of Quebec, in their own families as well as amongst their patients. We are aware that a large portion of the community regard with suspicion, and in many instances justly so, anything in the shape of a "puff," whether it be of patent medicines or of any other commodity; and if there be one class more than another that views with disapprobation the extolling of quack nostrums, it is the faculty themselves. Indeed, the public have a right to look to them for information on the subject, in their characters of conservators of the public health. The high opinion of the profession in Quebec, as already stated, may therefore be taken by Dr. Wistar as no small compliment, and to the public it may serve as a valuable guarantee of the efficacy of the medicine.

THE BISHOP OF TORONTO

AND THE CHURCH UNIVERSITY.

THE exertions of the BISHOP OF TORONTO having been indefatigable to obtain for the Inhabitants of the Province, a College in which Religion will be the basis of instruction for the rising generation, a debt of gratitude is hereby due to his Lordship, of which some testimony should be given. This it is proposed to do, by placing in the Hall of the future College a Full Length Portrait of his Lordship, to be painted by Salter, the well-known Painter of the Celebrated Picture of the "Waterloo Banquet at Apsley House," a facility for obtaining which is now afforded before his Lordship leaves London.

In furtherance of these views a Committee has been formed, who, relying that the call now made will be responded to by the friends of Religious Education in the Province, have already forwarded instructions to Mr. Salter, and written to his Lordship on the subject. In the event of the subscriptions exceeding (as it is hoped they will), the expense of the Portrait and being adequate for the purpose, it is intended to have the Painting Engraved, and to present each Subscriber of a pound and upwards with a copy of the work.

Subscriptions will be received at the Bank of Upper Canada in the name of the Committee, the Honourable the Chief Justice Robinson, the Honourable Col. Allan, the Rev. H. J. Graesset, the Rev. Dr. Lett, the Rev. H. Scadding, M. A., John Arnold, Esq., and by Thos. Champion, Esq., at the Church Depository, where the subscription list lies.

ALTHOUGH this Society has mainly in view the intention of enabling members of the Church of England to contribute, by the payment of small periodical sums, towards either the endowment of a Church of England University, (in accordance with the recommendation of His Lordship the Bishop in his recent Pastoral Letter,) or the building and endowment of Churches, Parsonage Houses, and School Houses, in connexion with the Church of England—the Society, nevertheless does not contemplate restricting its operations to those objects only. On the contrary, like other Building Societies, the advantages of the Church of England and Metropolitan Building Society will be fully open to all parties, without distinction, who may choose to take Stock therein, either for investment—the acquisition of freehold or leasehold estate—the removal of incumbrances or liabilities upon property—or the privilege of borrowing the amount of their shares in advance, upon furnishing approved mortgage security.

Printed copies of the By-Laws and Regulations can be obtained from the undersigned, at the Offices of the Society, Albany Chambers; and it is requested that all Communications be post paid.

THE BRITISH PERIODICALS

AND THE FARMER'S GUIDE.

LEONARD SCOTT & Co., No. 54, Gold Street New York, continues to publish the four leading British Quarterly Reviews and Blackwood's Magazine; in addition to which they have recently commenced the publication of a valuable Agricultural work, called the "Farmer's Guide to Scientific and Practical Agriculture."

By HENRY STEPHENS, F.R.S., of Edinburgh, author of the "Book of the Farm," &c., &c.; assisted by JOHN P. NORTON, M.A., New Haven, Professor of Scientific Agriculture, in Yale College, &c., &c.

This highly valuable work will comprise two large royal octavo volumes, containing over 1,400 pages, with 18 or 20 splendid steel engravings, and more than 600 engravings on wood, in the highest style of the art, illustrating almost every implement of husbandry now in use by the best farmers, the best methods of ploughing, planting, haying, harvesting, &c., &c., the various domestic animals in their highest perfection; in short, the pictorial feature of the book is unique, and will render it of incalculable value to the student of agriculture.

The work is being published in Semi-monthly Numbers, of 64 pages each, exclusive of the Steel engravings, and is sold at 25 Cents each, or \$5 for the entire work in numbers, of which there will be at least twenty-two.

The British Periodicals Re-published are as follows, viz.:

- The London Quarterly Review, (Conservative). The Edinburgh Review, (Whig). The North British Review, (Free-Church). The Westminster Review, (Liberal), and Blackwood's Edinburgh Magazine, (Tory).

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in that they stand confessedly far above all other Journals of their class. Blackwood, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that Magazine, and first appearing in its columns both in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel" (both by Bulwer), "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by M. Scott & Co., so that subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

TERMS:

Table showing subscription rates: For any one of the four Reviews \$3.00, For any two do. 5.00, For any three do. 7.00, For all four of the Reviews, 8.00, For Blackwood's Magazine, 3.00, For Blackwood and three Reviews, 9.00, For Blackwood and the four Reviews, 10.00, For Farmer's Guide (complete in 22 Nos.), 5.00.

(Payments to be made in all cases in Advance.) Money, current in the States where issued, will be received at par.

Remittances and communications should be always, post-paid or franked, to the Publishers.
