**M**OST young men would like to save a portion of their income; they really intend to, but the fact remains that they rarely do so unless specially encouraged or forced. A policy in the leading Canadian company encourages—nay, forces— young men to lay by the premium year by year. If not paid for life insurance the premium would in many cases be frittered away in some passing fancy.

Have you seen the Guaranteed Privilege Policies of the Canada Life Assurance Company? It will pay you to examine them.
