

2. If a person wrongfully takes and makes use of an aircraft without the consent of the person entitled to use it, his liability shall be unlimited.

Article 13.

1. Whenever, under the provisions of Article 3 or Article 4, two or more persons are liable for damage, or a registered owner who was not the operator is made liable as such as provided in paragraph 3 of Article 2, the persons who suffer damage shall not be entitled to total compensation greater than the highest indemnity which may be awarded under the provisions of this Convention against any one of the persons liable.

2. When the provisions of Article 7 are applicable, the person who suffers the damage shall be entitled to be compensated up to the aggregate of the limits applicable with respect to each of the aircraft involved, but no operator shall be liable for a sum in excess of the limit applicable to his aircraft unless his liability is unlimited under the terms of Article 12.

Article 14.

If the total amount of the claims established exceeds the limit of liability applicable under the provisions of this Convention, the following rules shall apply, taking into account the provisions of paragraph 2 of Article 11.

(a) If the claims are exclusively in respect of loss of life or personal injury or exclusively in respect of damage to property, such claims shall be reduced in proportion to their respective amounts.

(b) If the claims are both in respect of loss of life or personal injury and in respect of damage to property, one half of the total sum distributable shall be appropriated preferentially to meet claims in respect of loss of life and personal injury and, if insufficient, shall be distributed proportionately between the claims concerned. The remainder of the total sum distributable shall be distributed proportionately among the claims in respect of damage to property and the portion not already covered of the claims in respect of loss of life and personal injury.

CHAPTER III.

SECURITY FOR OPERATOR'S LIABILITY.

Article 15.

1. Any Contracting State may require that the operator of an aircraft registered in another Contracting State shall be insured in respect of his liability for damage sustained in its territory for which a right to compensation exists under Article 1 by means of insurance up to the limits applicable according to the provisions of Article 11.

2. (a) The insurance shall be accepted as satisfactory if it conforms to the provisions of this Convention and has been effected by an insurer authorised to effect such insurance under the laws of the State where the aircraft is registered or of the State where the insurer has his residence or principal place of business, and whose financial responsibility has been verified by either of those States.
