

participate in fisheries for such stocks within the adjacent area, the two Governments shall seek either directly or through appropriate international organizations to agree upon measures for the conservation and management of these stocks in the adjacent area, taking into account the need for consistency between the measures applying within the area referred to in Article II and within the adjacent area, as well as the principles set out in paragraph 1.

3. Where discrete stocks occur in an area beyond and adjacent to the area referred to in Article II, and nationals and vessels of the People's Republic of Bulgaria and Canada participate or wish to participate in fisheries for such stocks, the two Governments shall seek either directly or through appropriate international organizations to agree upon measures for the conservation and management of these stocks, taking into account the principles set out in paragraph 1, as well as Bulgarian interests with regard to these stocks.

ARTICLE IV

1. Subject to the availability of facilities and the needs of Canadian vessels, the Government of Canada undertakes to authorize Bulgarian vessels to enter Canadian ports, in accordance with Canadian laws, regulations and administrative requirements, for the purpose of purchasing bait, supplies or outfits or effecting repairs, or for such other purposes as may be determined by the Government of Canada, where such vessels are licensed to fish or to support fishing operations pursuant to Article II.

2. Such authorization shall become null and void in respect of any vessel upon the cancellation or termination of its licence to fish or to support fishing operations, except for the purpose of entering port to purchase supplies or effect repairs necessary for its outward voyage.

3. The provisions of this Article shall not affect the question of access to Canadian ports in cases of distress, medical emergency or force majeure.

ARTICLE V

1. The Government of the People's Republic of Bulgaria and the Government of Canada recognize that states in whose rivers anadromous stocks originate have the primary interest in and responsibility for such stocks, and agree that fishing for anadromous species should not be conducted in areas beyond the limits of national fisheries jurisdiction. They will continue to work together for the establishment of permanent multilateral arrangements reflecting this position.

2. Pursuant to paragraph 1, the Government of the People's Republic of Bulgaria shall take measures to avoid the taking by its vessels and by persons under its jurisdiction of anadromous stocks spawned in Canadian waters.
