

erans' organizations, citizens' committees, radio stations, newspapers and magazine editors.

*A Nursing Bulletin* (monthly, English), for nurses.

Other publications issued from time to time deal with rehabilitation of war amputees, vocational training, job possibilities and with the responsibility of the community in the re-establishment of the veteran.

Films, filmstrips: Documentary films (16mm and 35mm, English and French) and filmstrips deal with the administration of the Veterans' Land Act, prosthesis, physio-therapy and other subjects. These are produced and distributed by the National Film Board.

Graphics: Posters, wall-hangers and other graphic material such as display advertisements on current rehabilitation programs.
