

Royal Bank

Make the best financial plans today for tomorrow

Financial experts agree: if you don't think about financial planning now, it could prove to be costly later. That's why your Royal Bank financial services professional is ready to answer all your questions today so that you can start building a secure tomorrow. We can help you make the right choices on everything from RSPs to your child's education or home ownership. Tomorrow's financial security starts with a good plan today.

- Planning for home ownership
- Projecting your retirement income
- Building a secure Retirement Savings Plan
- Deciding how much to invest and where it should go
- Saving for a child's post-secondary education
- Borrowing to achieve your goals

Consular Services

"Consular" is the word used to describe the services that a country provides for its citizens abroad. Canada's Consular Services are committed to helping Canadians prepare for foreign travel and providing them with a variety of services once they are abroad. Our services are available 24 hours a day, seven days a week, through a network of over 250 offices in more than 180 countries.
