\*The payment of UI benefits, rather than training allowances, to eligible trainees began in the 1978/79 fiscal year. Because of this, and the fact that UI payments to native trainees cannot be specifically identified, comparison with previous years is not accurate.

#### Question No. 483—Mr. Orlikow:

For the years (a) 1976-77 (b) 1977-78 (c) 1978-79, what amount was spent on adult training programs for (i) native people (ii) the rest of the population in the province of Prince Edward Island?

**Hon. Lloyd Axworthy (Minister of Employment and Immigration):** Comprehensive statistics, which would provide information on the amounts spent on adult training programs for all native people, including status Indians, non-status Indians, Metis and Inuit were not compiled before April 1, 1979. However, information on the amounts spent for training courses purchased for status Indians on reserves is available and is as follows:

		(i) Status Indians on Reserves	(ii) Rest of Population
(a) 1976/77	Institutional (CMTP)	\$68,042	\$5,041,435
	Industrial (CMITP)	34,779	696,216
