The receipts of live stock at the Union Stock Yards on Wednesday numbered 108 cars, including 1265 cattle, 178 calves, 2222 hogs and 2212 sheep and lambs.

Butchers' cattle: Good handy and choice butchers' steers and heifers very scarce and quoted 10c to 18c above last week. The market generally brisk and better tone. But more common and medium stuff was consigned than the demand covered and part of this dragged over into the afternoon, and some stayed over. Canners sold strong.

There is a good prospect for Friday's market and more than thirty cars are in sight now. Steers, weighing 1400 lb. and up, are in demand here. Heifers and feeders: American orders for feeding cattle insist upon the dehorned class and dealers on this market filling these export orders are paying at least 25c per cwt. more for dehorned cattle than for the same grade with horns. Cattle raisers in the country can see from this how much they would gain by the simple process of dehorning, particularly in the calf stage. When the demand is greater than it is at present the difference is not so marked, but at any time the dehorned kind have a preference. Brandy dehorned heavy feeders are now selling from \$6.40 to \$6.75; good, \$6.75 to \$7.00; stockers, \$6.00 to \$6.25; 200 lbs., at \$6.25 to \$6.50.

Milkers and springers: The demand for good cows exceeds the supply and values are strong. Quality not so good as early weeks, there being many heifers present, but the market was strong and active. Lamb: Butcher's lamb, at \$8.50 to \$9, which is 10c to 15c above last week. Sheep: Active and firm. Calves: Grass calves were a drug on the market and many were unsold. They were traded at \$4 to \$4.65 and not wanted. The other grades are just steady.

Hogs: Market unsettled, with a strong feeling. A few transactions noted at a slight advance over Monday.
