THE SCHEDULE OF GAMES

n Senior and Intermediate Inter-Association League - Shamrocks at Island Friday.

Clubs in the Interassociation Lacrosse League expect a big season, opening June , in senior and intermediate series. The senior division is composed of five very strong teams, all of whom can be depended upon to furnish a brand of lacrosse worth going to see. St. Simons, the present champions of the above league, are good stick-handlers and excel in team play, while their old rivals, the West End boys, ware very speedy and thoroly understand the fine points of the game. The Crescents, consisting of the pick of iast ber of other good players, have a fast, dangerous home, that will keep any defence in the league busy. The Elks don't say much about their team, but are known to have a number of star players and championship expectations: East Toronto have a husky, evenly-balanced team, that, on their own grounds at least, will keep the best of their competitors working overtime best of their competitors working overtime to beat them. The intermediate series should also provide first-class lacrosse with the Norways as slight favorites, judging from the showing they have made in practice matches. The Woodgreens, tho a new team, are practising faithfully, and will be in the running all the way, while St. Simons and the West End Y.M.C.A. can be relied upon to put strong intermediate teams in the field. Following are the schedules: NEW YORK, May 22.—C. W. Burt, an added starter, came near winning the Manhanset Stakes at Gravesend to-day.
