## MULOCK CUP TAKEN BY VICTORIA TEAM

Defeat Senior Meds Eighteen to Six in Final at Varsity.

Victoria are Varsity inter-faculty rugby champions. The Methodist college team defeated senior Meds in the Mulock final at Varsity stadium yesterday, 18 to 6, and easily earned their title.

Vic showed a strong line, a capable back in Pearson, and a line-plunger in Chant, who gained much ground. The field was covered with three inches of snow, and made the footing rather uncertain, but both teams put up an excellent exhibition of the fall pastime. On two occasions Meds got their machine working smoothly—once in the first quarter, and bucked half the field for a try, and once in the third quarter, bucking forty yards and then losing possession within striking distance of the Vic line. Price's booting was off-color in the early stages, but he straightened away after half-time, and his spirals were well timed and gave his wings plenty of time to get down under them. But Meds could do little damage under the deadly tackling of Vics, and the stone-wall defence put up by the Methodists. In the first quarter, Hill of Vics, after breaking thru Meds' centre for 40 yards, rounded the left end for a 30-yard gallop, for a touchdown. It was not converted.

Then Meds took a strong hand in the fray, and Pritchard, Gould, Bantlaine and Graham bucked the ball from mid-field to Vics' five-yard line.

From there Price bucked it over for a try, which he converted, putting Meds in the lead.

Vics had a grand chance to score just at quarter-time, but Pearson's drop kick was blocked. Meds held the score as it was. Quarter-time score: Vics 5, Meds 6. Vics tied the score up at 6-6 after five minutes' play, when Lake was downed for a rouge. He made a game effort to run the ball out, and broke three tackles before he was finally smothered. A few minutes later Brown, on a triple pass, rounded the right end, and, when tackled on the Meds' line, rolled over for a touchdown. Pearson converted it.

Meds had several chances before the end of the period, but sloppy work by the ball-carriers and bad booting by Price spoiled their chances. Before the period ended Price redeemed himself somewhat by some long punts and a couple of nice tackles. Half-time score: Vics 12, Meds 6.

There was no score in the third quarter. Luke pulled da grand catch and run, putting Meds in possession at mid-field. Bantlaine, Graham, Pritchard and Price bucked the ball to Vics' 15-yard line in four successive downs, only to lose it for illegal scrimmage. Brown of Vics distinguished himself by rounding the ends for two nice gains, and Vics had Meds on the defensive when the period ended. Vics 12, Meds 6.

In the first two minutes of the final period Vics gathered another try. Chant bucked it over. It was not converted. Luke and Bell pulled off a nice passing run on Pearson's line. Price's kick was blocked, and Meds got possession at Meds' 40-yard line. An offside penalty and Brown's buck put Vics in scoring position, but they lost the ball for failure to gain yards. Meds bucked out 30 yards, but lost the line play, and Pearson booted to Luke, who was downed for a rouge.

Price was hurt, but continued to play, and on the next play sifted thru for yards. Chant dropped the ball when tackled on an end run. On a punting made a forward pass to Luke 10 yards out, and Vics had a grand chance to score again, but lost it in a line play. Meds did the same trick, and Vics had the ball on Meds' goal line when the game ended. Final score: Vics 18, Meds 6.

Queen City Curling Club Skips Selected

The Queen City Curling Club held its largest meeting of members in its history last night in the club house, Hayman and Church streets, for the annual selection of skips, the 26 for the competitions being chosen at a meeting of C. A. A. A. B. H. Blower, A. T. Cringan, Rev. I. A. Cranston, W. Duffitt, D. A. Dunlop, W. Lemmell, C. H. Seale, C. B. Hill, W. W. Munn, D. T. McIntosh, I. Maxwell, A. McQueen, W. Philip, Rev. S. H. Pickup, General R. Rennie, R. B. Wright, W. J. Warren, W. R. Street, W. I. Walker, Prof. A. J. Johnston, J. P. Rogers, H. G. Waterman.

The Tankard and District cup skips will be selected by the club skips when they meet to pick their skips.

CRIBBAGE. In the Toronto Cribbage League last night Great War Veterans beat Kenish Association by 19 to 17.

ED. MACK SAYS:

"Our \$95 Overcoats at \$60 are the biggest find of the season. We want money badly and that is the sole reason for the big reductions. We are cutting prices on all other lines tremendously. Like this, \$15, \$20, \$25, on the single suit or overcoat. It's the greatest opportunity the men of this city have had in many years to secure the better grades of clothes at such amazing reductions. Another point I would like to emphasize," said Ed. Mack, "and that is this: A number of people are holding out buying with the belief that clothing will fall lower yet. Good clothing has reached its lowest mark," said Ed. Mack. "There may be an occasional drop here and there of the lower grades, cheap shoddy or cotton mixtures, but fine wools come even higher before spring comes, because we are now on stocks that will not be replaced at the old prices. It is significant that we are not being solicited to any extent for future deliveries. This indicates that prices are bound to rise. To accommodate those who are unable to come during the day the store will be open till 9 p.m."

## KINGSTON MEN TO HANDLE BIG GAME

McCauley and Constantine  
Officiate in Varsity-McGill Play-Off—Gossip.

N. L. McCauley of Montreal, a former football star of the Royal Military College, was appointed referee, and Col. E. Constantine of the Royal Military College, also an old football star, was chosen umpire for the McGill-Varsity game on Saturday at Kingston at a meeting of the rules commission of the Intercollegiate Rugby Union at Kingston yesterday.

The removal of snow from Queen's athletic field, where the game is to be played, was begun yesterday, and the ground was found to be in excellent condition under the snow, being quite dry.

Varsity finished up their training yesterday for the play-off with McGill on Saturday in Kingston with a sharp practice on the snow-covered Varsity field.

Coach Cassels refuses to divulge who will start on Saturday. He has been grooming both Sullivan and Snyder for the centre-half position, and most fans think the former will start against McGill.

Hobbs and Westman are ready and in the pink, and with Hobbs directing the plays on the field Varsity will be at full strength.

Varsity will be well represented at Kingston, a special train will leave here on Saturday morning, and several hundred students will take in the trip. McGill team and rooters will leave Montreal on Saturday morning.

The Varsity senior team leaves here on Saturday morning, and will get a good rest before the game. The Varsity seconds, who play Queen's II. in the morning for the college intermediate championship, will leave for Kingston this afternoon. The seconds have a five-point lead, gained here last Saturday.

## COMMANDER ROSS SHOWS DISCRETION

Withdrawing Application to Jockey Club for Jockey Shilling's License.

New York, Nov. 18.—Commander J. K. L. Ross at a meeting of the stewards of the Jockey Club here today withdrew his application for a jockey's license for Carroll Shilling, barred several years ago. The former jockey, it was announced, authorized Commander Ross to inform the stewards that as long as he remained in Ross' employ, he would make no further effort either to obtain a hearing or a license to ride. Commander Ross also withdrew his application to the Maryland State Racing Commission for the Maryland Jockey Club, and Shilling.

between the Jockey Club and the Maryland State Racing Commission at a date to be agreed upon after the Maryland racing season ends.

The meeting was attended by August Belmont, F. K. Sturges, H. K. Knapp, John E. Cowdis, P. R. Hitchcock, Jos. E. Widener and R. T. Wilson for the Jockey Club; Jos. P. Kennedy and George Brown for the Maryland State Racing Commission; William P. Riggs, and Commander Ross for the Maryland Jockey Club, and Shilling.

BILL PHILLIPS SHOWED FORM. Bill Phillips showed nice form when he captured the 60-yard potato race from a large field of seniors at Oiler on Wednesday. This boy stepped the distance in 13.5 seconds. His nearest rivals were Pat Kelley and Bill Buchanan, who both turned in a mark of 15 seconds.

The basketball games: Phillips' team defeated Willy, and came right back in the final and put one over Buchanan's five by a very narrow margin.

The standing, hop, step and jump is the next event on the card, and the seniors are reminded that their gym night next week is changed from Wednesday to Friday.

## CANADIAN-BRED HORSES WINNERS

Again at the Show in New York — Polo Match Tomorrow.

New York, Nov. 18.—(Canadian Press.) gram at the horse show was the prominent place taken once more by Canadian-bred horses. Driftwood Blaze, a beautiful brown gelding, owned by Mrs. Walter Hanley of New York, added to his laurels by capturing the silver medal offered by the Association of American Horse Shows, incorporated, for horses over 14.2 and not exceeding 15.2 hands, up to carrying 150 pounds.

Driftwood Blaze, who is 15.1-4 hands, is seven years old, and has a somewhat romantic history. He was a Canadian remount horse and was picked out of a bunch that was being shipped overseas during the war. Recently Mr. Hanley decided to sell some of his horses at auction and Driftwood Blaze was among the lot. Mrs. Hanley herself bid in the animal at \$500.

Another Canadian-bred horse which has won firsts previously during this year's show added to its honors today, when Antimora, chestnut mare, owned by Miss Louisa Long Combs, came first with her partner, Antimora, in the class for pairs over 15.1 and not exceeding 15.3 hands.

The Ontario polo team, which last night defeated New York at a horse show match in Madison Square Garden, will play off with West Point on Saturday for the show championship.

One thoroughbred winner of today was the imported polo pony, Christopher Columbus by the noted English sire of polo ponies, Mark Forward. Christopher Columbus, who is owned by W. R. Grace, won the blue in the class for stallions suitable for getting polo ponies.

Outlaw, the Canadian-bred chestnut gelding, which has already won blue ribbons in the show, was placed fourth today in competition for the Smithtown Hunt Cup for hunters to be ridden by the tonafide members of a recognized Hunt Club. He is owned by Miss Janice Liggett of Boston.

McGILL TEAM LOOK IN GOOD CONDITION

Montreal, Nov. 18.—As a final preparation for the meeting with the University of Toronto rugby team at Kingston on Saturday, McGill's squad was thru a scrimmage work at the stadium today by Coach Shaughnessy. The milder weather put the gridiron in better condition to practice over and the players took advantage of the opportunity to put in a strenuous workout.

The seniors were lined out as in the match against Toronto two weeks ago, and each man was kept in position throughout the practice. They were worked against the junior fourteen, who will also take their final workout for the final match of the junior series of the Quebec Rugby Union against Grand Trunk tomorrow afternoon at National grounds.

The senior squad players showed themselves in good condition and went thru their work without showing signs of distress at any time. Following the scrimmage practice a turn was taken at practicing tackling. The men were kept at this for half an hour, after which they were sent for a trip around the field and then to the dressing rooms.

Carroll showed marked improvement in his kicking at each practice, and it is now an assured fact that he will hold his own against the best of the Toronto kickers. Flanagan and Little worked well together. Little alternating with Anderson on the halfback line and at flying wing. On the second defence work Little goes up and Anderson drops back.

CENTRAL "Y" TANKERS. The results of the Central Y. Tankers Club gala in the Central Y. tank Wednesday night speak for themselves as to the progress that has been made in the swimming game. Central won the meet on points by a large percentage, the following being the results: Central Y., 92 points; West End, 28 points; Broadview, 21 points, and Hamilton Y., 20 points.

Altho the times in the 100-yard event were fast, the diamond medal still remains to be won in a later meet. S. Mendelsohn, however, made a great attempt, and swam the distance in 61 seconds, while Turner Chapman, a coming junior, swam it in 66.4. The winner in this event was R. Gostlin of Broadview, altho the newspaper reported Hobson as winner. Hobson was second.

The diving events brought out new stars. In the junior diving, D. Forrester of the intermediates outpointed C. Kennett, who was the favorite in the senior diving. N. Shuter showed old form, and C. Kennett ran a close second. This boy promises much for the future.

Central Y. relay teams stand as examples of consistent swimming and spirit in the corps. They won all their classes.

All swimmers are now training for the provincial swimming meet at West End on Dec. 17.

PRO. HOCKEY IN NEW YORK. Montreal, Nov. 18.—The Canadian and Ottawa teams in the National Hockey League will play three exhibition games in New York in the week beginning Dec. 12, it was announced today. The teams may also play in Boston and Philadelphia.

AN ANSWER! To "What Shall I Give?"

"Victrola X" at \$200.00

MAHOGANY or oak cabinet, 42 inches high, 18 1/2 inches wide, 22 1/4 inches deep. 12-inch turn-table. Nickel-plated Victrola No. 2 sound box, new improved Victor tapering tone arm and tapering "goose-neck" sound box tube. Automatic brake and speed regulator and automatic speed indicator. Newly designed, patented and improved, double spring, spiral drive motor (can be wound while playing). Price, \$200.00.

All "His Master's Voice" Victrolas are equipped with the improved tapering tone tube and "goose-neck" sound box tube, which in conjunction with the horn elbow, comprise the Victrola tapering arm.

Smoothness of bore (the tone passage) is the secret of a perfect cornet or trombone, while instrumental brass is superior to all metals as a conductor of sound.

The Victrola tone tubes are made of a seamless instrumental brass. The tapering bore of the tone passage is absolutely smooth, and is scientifically calculated and constructed to conform to the expanding sound waves created by the sound box.

The tapering "goose-neck" sound box tube is fitted and adjusted to the tapering tone tube in a manner to insure absolutely free motion of the sound box, at the same time restricting too much play. Perfect flexibility is thus obtained, which enables the needle to search out every particle of tone in the most complex chord, no matter how minute, and pass it on to the sound box.
