**GENE McAULIFFE HOME**

Eugene McAuliffe, aged 15, son of Jere McAuliffe of the Jere McAuliffe stock company, arrived at his home at 227 Washington street, on Wednesday from St. John, where his left leg was amputated just below his hip as the result of being run over in that city by one of the cars of the Intercolonial railroad.

He was confined at the hospital in St. John for 15 months, and his father employed two specialists. The wound is now almost entirely healed, and Dr. Lovell of this city is attending the case until the boy fully recovers.

Eugene has followed the ball games by the newspapers and saw Lynn win over New Bedford at Ocean Park yesterday afternoon. He had a fine view of the grounds from his wheel chair which was stationed between the third base bleachers and the grand-stand. He has been a great sufferer, but the picture of health today and is in excellent spirits. His father is planning to have a private tutor for him this fall, and he will be fitted for college.

**REPORTS OF HOME FOR INCURABLES**

There are now 27 Patients in the Institution, Which is Doing a Noble Work—Financial Statement.

The annual meeting of the subscribers to the Home for Incurables is being held this afternoon. Reports from the various officers and board of directors show the institution to be in a very satisfactory condition. Dr. Thomas Walker, president, and W. C. Jordan, secretary, in presenting the report of the board of directors say in part:—"At the date of our last annual report there were in the Home 28 patients, viz., 15 males and 13 females. During the year there have been admitted six patients, four males and two females. Six patients have died, four males and two females, and one male patient has left the Home. There are now in the Home 27 patients, 14 males and 13 females. During the year nine applications have been considered by the board, five males and four females. Seven of these were accepted, five males and two females. Two female patients were refused. One male patient accepted did not enter the Home."

Thanks is expressed to the medical staff and the Woman's Aid for their valuable services.

Referring to an appeal made for financial assistance in the last year's report, it is stated that a generous response was made, and another appeal is made for the present year. The amount paid for maintenance is \$698.38 more than last year, and the wages bill exceeds that of last year by \$216.57. While a larger sum was received from paying patients, it did not come within about \$200 of the increase in expenses, so a further appeal is made.

The treasurer, Hon. J. V. Ellis, in his report says:

At the close of the fiscal year 1938 the W. W. Turnbull fund, the capital of the institution, amounted to \$87,631.15, a gain of one hundred dollars, as compared with the figure of last year. This fund is invested in bonds and mortgages, and there is a small portion of it on deposit with the Bank of New Brunswick.

As to revenue account the receipts are:

Balance on hand at last audit	\$1,502.28
Annual subscribers	33.00
Paying patients	2,125.50
Donations	3,834.11
Total	\$8,105.58

The expenditures were:

Maintenance	\$4,703.54
Salaries	2,138.07
Balance	1,263.97
Total	\$8,105.58

Included in the payments for maintenance, is the insurance rate of \$208.55, for three years.

The donations received during the year are as follows:

Names	Amounts
W. Rupert Turnbull	\$50.00
J. S. Gregory	25.00
John Sealy	50.00
James Brady	50.00
T. H. Estabrooks	50.00
C. S. Myers	50.00
James F. Robertson	50.00
Mrs. James F. Robertson	50.00
F. P. Starr	25.00
B. Tennant	25.00
John O'Regan	25.00

Other donations are—

Final dividend on Lydia A. Mott legacy	12.43
Estate of Dinah Harris	5.73
A lady friend	25.00
Edward Bates	7.50
Total, as above stated	\$535.68

The funeral expense fund, which last year was \$111.97, is this year \$379.42.

The total sum at the credit of the Home investments and current accounts is \$90,406.24, as against \$89,445.41 in the preceding year.

Reference is made to the liberality with which the Bank of New Brunswick treats the institution and to the kindness of the president, James Manchester, the general manager, R. S. Keenan, and the local manager, Arthur McDonald.

The report of the auditors, J. S. Gregory and W. R. Turnbull, states that they have examined the reports and found them correct. The certificate for 900 shares of Grid King stock, formerly held by the treasurer, has been forwarded to Boston to be exchanged for stock of the New Gold King Company.

The report of the medical board, submitted by Dr. S. Skinner, president, and Dr. J. C. Mott, secretary, shows that six patients entered the home for treatment during the year, six have died and twenty-seven are now being cared for. In October last Dr. Warwick was appointed pathologist in place of Dr. Scammell deceased.

The care and nursing of the patients under the direction of the matron, Miss Ramsay, assisted by her staff of nurses, have been very satisfactory.

The following officers have been elected for the ensuing year—Dr. J. C. Mott, president; Dr. William Warwick, secretary.

**UNMARKED LOGS WERE SOLD TODAY**

The annual sale of "no mark" and "five backs" (mixed) logs, rafted by the St. John River Log Driving Company, was held this morning in the Board of Trade rooms. Auctioneer F. L. Potts conducted the sale, and the buyers were as follows: Hemlock, \$289 per thousand; cedar, 130,000 feet, at \$7.25 per thousand; and pine, 23,000 feet at \$10.10 per thousand, to the Scott Lumber Co., Fredericton. Spruce, including merchantable, butts at two-thirds price, and condemned, (thrown in), 330,000 feet at \$13.50 per thousand, to Randolph & Baker, Randolph, N. B.

**AFTER THE BATTLE OF THE BALLOTS**

Hon. C. W. Robinson is naturally very much gratified with yesterday's victory, which is a declaration of confidence in him and in his leadership. The Conservative party was never so well organized as in this campaign. At Loch Lomond yesterday, for example, were John E. Wilson, M. P. P., Wm. Shaw, ex-M. P. P., John Weatherhead, Joseph Nobles and Samuel Drury—all seasoned fighters, who know all the tricks of the game.

Liberals generally express great satisfaction with the work of E. S. Carter, an organizer of the campaign. The work was well done, in face of the most bitter opposition the party ever faced in St. John county.

Miss Maggie McLean, King street east, and Miss Nola Melick, Mecklenburg street, left by the Victoria this morning on a visit to Fredericton.
