

should be allowed to reserve  
for their own use the road  
situate on their Reserve  
and to exclude the public  
therefrom.

You will therefore be  
good enough to furnish  
as instructed in letter of  
the 3<sup>rd</sup> Aug last full and  
accurate particulars of  
the facts as to when and  
under what circumstances  
the road was first made  
and <sup>especially</sup> ~~particularly~~ as to the  
number of years during  
which the road has been  
in use by the public, and  
under what, if any, restrictions.

~~In your letter of the 30<sup>th</sup> Jan'y  
it is observed that you state that the  
road was never opened for the use  
of the "stranger public" but solely  
for the use & benefit of the Indians,  
the said sheep being within the  
limits of the Indian village.~~
