THREW MUD ON HIS LINEN

While Ham Wing, who conducts a laundry business on Union street, had his shop door open last night enjoying the balmy breezes that floated in, seven or eight boys came along, and gathering a large quantity of mud which had been formed by the evening's rain, they threw it over his laundered work, thereby ruining a large portion of it.

The poor Chinaman felt very badly over the incident as he fears that he will experience much difficulty in getting the stains out of the linen.

The matter has been reported to the police who will spare no pains in bringing the young culprits to justice.

MONCTON MEN BUYING LAND

Several of Them Have Purchased 15,000 Acres North of Regina--Young Men Going West.

MONCTON July 4--A number of Moncton men are interested in a recent purchase of a big block of western land. The property secured comprises fourteen thousand acres and is located north of Regina. Among those in the speculation are R. C. Tait, of St. John's, G. R. Jones, Fulton McDougall (manager Royal Bank) and W. H. Edgett, W. K. Grass and others of this city. The company expects to realize very shortly on their investment as the land is situated in a good locality.

The recent accident at the Moncton depot whereby Anthony Landry lost both feet and was otherwise badly broken up, has resulted in orders being given for the exercise of more caution during the arrival and departure of trains at this station. Engineers have received instructions that the station must be approached very slowly.

The necessity to rubs is apparent, when it is considered that in the morning three express trains arrive practically at the same time and in the afternoon within about an hour six through trains are scheduled to arrive. It has been a matter of complaint for some time that there is not sufficient information given regarding the trains arriving and departing from the Moncton depot, and in consequence there has been much confusion.

Passengers who are not thoroughly familiar with the trains have nothing to guide them in the way of signs on the cars. It is probable that the recent accident which is directly due to the confusion due to insufficient signs on the cars, may result in some steps being taken to safeguard the lives of the travelling public, and provide means for strangers especially to locate their trains more easily than at present.

More Moncton young men are leaving for the Canadian west to locate at this time. Fred Lynch, formerly of the Moncton Pasteurized Milk Co. leaves next week to locate near Winnipeg. Gordon Humphrey's Wood's Mills, left today on a trip to the west.

Mrs. M. Giam, a former teacher on the Moncton school staff, has returned from the south where she has been living the past two or three years on account of ill health.

Quite a number of students from the schools of the towns and villages in this section are in the city taking the entrance examinations at the Normal School.

Mrs. C. W. Peters, of Chicago, is spending the summer in Moncton with her parents, Mr. and Mrs. C. P. Harris.

Mrs. J. S. Magee and family have returned from spending some weeks with friends at Yarmouth.

Mrs. Carl Derry Would Not See Her Husband Kidnapped Alone

The story of a wedding in which the groom was kidnaped is told in the Brockton, Mass., Enterprise of June 29. The bride, Mrs. Carl Derry, formerly Miss Theresa Deagan, a native of St. John, having sworn to take him "until death do us part," sooner than see her husband kidnaped alone allowed herself to be captured with him.

The constables secured an automobile and proceeded to secure the groom with a clothes line. The bride threw her arms about him and refused to be dislodged. Both were taken to the "auto," and enjoyed a wedding spin to Taunton and return.

The ceremony was performed at 7.30 last evening by Rev. W. H. Morrison, the contracting parties being Miss Theresa Deagan and Carl Toby Derry. The wedding was held at the residence of Mrs. Bertrand L. Moore, a sister of the bride, only the relatives and intimate friends being present.

The bride was attended by Mrs. B. L. Moore as matron of honor, and B. L. Moore was best man.

A reception was held from 8 till 10, about seventy guests being present from St. John, N. B., Boston and the adjacent towns. Selections were given by an orchestra. The wedding presents were numerous and beautiful.

The groom has resided in Brockton for the greater part of his life. Mr. and Mrs. Hugh McCarthy, of St. John, uncle and aunt of the bride, and Mr. and Mrs. Thos. Nickerson, also of St. John, and also uncle and aunt of the bride, were present at the ceremony.

SENATOR ELLIS'S SPEECH

British Premier Advises Questioner Not to be Frightened by it.

A London cable says--Replying to a question on the Canadian Senate by Senator Ellis, in the Canadian Senate on June 27, during which he said the Canadian movement was leading to absolute independence. Sir Henry Campbell-Bannerman today advised the questioner not to be frightened by the speeches of Mr. Ellis or anyone else. The feeling in Canada, as well as in the other colonies, the premier added, was well known and tended, not towards disintegration, but to a closer union between the colonies and the Mother Country.
