[ADVERTISEMENT.]

THE EDITORS OF "THE YEAR BOOK AND ALMANAC OF NEWFOUNDLAND" regret much that unforeseen circumstances have delayed its publication to this late date. It will be issued in future about the beginning of December in each year. The size to which the work has extended renders it necessary, in order to ensure its issue at the time named, that Outport orders, advertisements, and communications should be sent in not later than the middle of October. St. John's orders, advertisements, &c., will be received till 1st November.

Address,—marked "ALMANAC,"

F. C. BERTEAU,
ST. JOHN'S.
