THE PROPERTY OF  
**Trinity Medical College.**

For list of Class Books see page 57.

N. B.—Only ONE work on each subject is required by the student.

**A Catalogue of the Museum of Trinity Medical College will be sent on application to any address. It is too large to have had bound with this Calendar.**

**Professional Examination papers also may be had by applying for them.**

For some years past the Medical Students' Branch of the Young Men's Christian Association, in addition to a great deal of good work done for Students, have taken much trouble to prepare carefully, a list of suitable boarding houses, for distribution among the Students at the commencement of each Winter Session. To young men, strangers in the city, this is a great help.
