ROTHESAY WINS FROM FREDERICTON HIGH

One of the most interesting hockey matches played this season in the Inter-scholastic League took place in the Queen's rink this morning when Rothesay Collegiate School defeated Fredericton High, 3 to 2. The game was fast and keenly contested and the result was in doubt until play terminated. In the first period neither team was able to score, despite several brilliant plays by members of both sides. In the second period Rothesay penetrated their opponents' defence and sent the puck into the net for three goals. Fredericton came back strong and tallied once in this period and once in the last, making the final score 3 to 2. The goals were made by: Short (2), Scovill (1) for Rothesay; Barry—on a pass from Kierstead—Colwell each one for Fredericton.

The line-up of the teams follows:
Fredericton—Goal... McAdam... Point... Carson... Colwell... Rover... Brydson-Jack... Barry... Centre... Short... Carter... R. W. Scovill... Gerard... L. Wing... Tusseau... Thompson... Spares... Hickman... Referee—Leonard Thompson.

MURRAY AND FLEMING

The Hon. James A. Murray in his manifesto to the people of the province has stated that he will follow his predecessors as a guide. New Brunswick has been disgraced in the eyes of all Canada by the administration led by Mr. Fleming and Mr. Clarke. It is the duty of every elector who has the interests of the province at heart, to vote against a government which will attempt to follow such a lead.

NOW REGARD PTE. DEAN AS KILLED IN ACTION

The last ray of hope which has been entertained for the safety of Private Thomas Dean, was dispelled by a telegram received this morning by his wife, who resides at 7 Germain street, West St. John. Private Dean was a native of England who had been residing in this city for several years before the war broke out. He was forty years of age and a stone mason by trade.

When war broke out he enlisted with the 6th C.M.R. here and was with the unit in the big fight in June of last year.
