FRECKLES Don't Hide Them with a Veil; Relieve Them with the Othine Prescription. This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails. Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely. Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

SAYS THIN PEOPLE CAN INCREASE WEIGHT Food Alone Produces Fat, Says Noted Expert—How to Turn Food Into Healthy Flesh. The reason that some people are chronically thin and under normal weight, says a noted authority, is because of a chronic leakage of the fat-making elements in their food. The assimilative functions of their stomach and intestines are not working properly. Only a small portion of the food nourishment of their meals ever reaches their blood—just enough perhaps to keep life within the body—the rest passes out as waste. The problem of gaining weight and flesh depends entirely therefore on a natural stopping of this dangerous waste of fats and the correction and repair of the organs of assimilation. For those who wish to gain healthy flesh and put on from ten to twenty pounds of weight a single Sargol tablet taken at meals for a few weeks will almost invariably produce the desired effect. Sargol does not of itself build flesh, but, swallowed with your food, it acts upon every mouthful you eat, first separating all the fats, oils, sugars, starches and other flesh-making materials from the food waste and then preparing all the nourishing elements in a form which the blood can readily accept and distribute all over the body. Sargol stops the leakage of fats, keeps all the flesh-making materials within the body, allows only the worthless waste to leave it. It further repairs the faulty organs of assimilation, enabling them to gradually and properly perform their natural functions so that the new found flesh "stays put." Sargol is not an experiment. Thousands have used it and proved it. Its action is natural and harmless and it is seldom indeed that it cannot produce an increase of from ten to twenty pounds of natural healthy flesh on any person who is underweight. All druggists everywhere sell it with a positive guarantee of weight increase or money back as found in every package.

TRY THIS RECIPE IF YOU HAVE DANDRUFF And Want to Be Rid of It. The best way to get rid of dandruff for good—not merely to wash it off the head for a few hours—but to clean your head of it forever, is to tone the scalp with some vigorous acting remedy that will revitalize the slowly dying hair follicles. Once you get the scalp in a healthy condition you will never be troubled again with dandruff and your hair will stop coming out. A great many of the best hair dressers recommend the following recipe which can be easily and inexpensively prepared and applied at home by anyone: "Mix together in an 8 oz. bottle 6 oz. of good Bay Rum with 2 oz. of pure Lavona de Compose and add about 1/4 drachm of Menthol Crystals. Shake thoroughly and allow to stand an hour before using." The mixture is best applied to hair and scalp by pouring a little on a soft cloth and then by drawing this cloth slowly through the hair taking one small strand at a time. When the head is quite thoroughly dampened rub briskly into the scalp with the finger tips until the skin tingles. A five to ten minute treatment like this each morning for a few days will generally drive every trace of dandruff from the scalp and will also make the hair beautifully lustrous, glossy and easy to arrange. It will also stop the hair from coming out and if kept up will most surely start new hairs growing. Druggists everywhere sell Bay Rum, Lavona de Compose and Menthol Crystals and will, if you prefer, do the mixing for you at a small extra charge. If you like perfume add a few drops of your favorite and see what a pleasant hair dressing this makes.

MRS. THOMSON TELLS WOMEN How She Was Helped During Change of Life by Lydia E. Pinkham's Vegetable Compound. Philadelphia, Pa.—"I am just 52 years of age and during Change of Life I suffered for six years terribly. I tried several doctors but none seemed to give me any relief. Every month the pains were intense in both sides, and made me so weak that I had to go to bed. At last a friend recommended Lydia E. Pinkham's Vegetable Compound to me and I tried it at once and found much relief. After that I had no pains at all and could do my housework and shopping the same as always. For years I have praised Lydia E. Pinkham's Vegetable Compound for what it has done for me, and shall always recommend it as a woman's friend. You are at liberty to use my letter in any way."—Mrs. THOMSON, 688 W. Russell St., Philadelphia, Pa. Change of Life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to carry women so successfully through this trying period as Lydia E. Pinkham's Vegetable Compound. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.
