APPENDIX III.

THE PASTORAL ADDRESS.

DEARLY BELOVED BRETHREN, — We, the members of the New Brunswick and Prince Edward Island Conference, now assembled in Session, in harmony with an established rule, which may be considered as an institution of our church, address you in the name of our common Master. Belonging, as we do, to a church which we believe was raised up by God for the accomplishment of a special work, and founded by men whose wisdom and sanctified zeal did so much towards laying on a broad, permanent and scriptural basis those doctrines of truth and principles of piety which have so much contributed to establish our present ecclesiastical status and church government, which, in some respects at least, is unequalled by any other Christian community,

We confidently and affectionately greet you in the Lord. "Grace to you, and peace be multiplied in the knowledge of God and of Jesus our Lord."

We record our deep, heart-felt gratitude to Almighty God for the temporal and spiritual blessings which He has so graciously vouchsafed to us during another ecclesiastical year, which has now so hopefully closed with us.

We have hailed with feelings of great pleasure and brotherly love the presence of our beloved General Superintendent, Rev. A. Carman, D. D., whose genial disposition, wise administration, clear exposition of our Discipline, elaborate addresses and words of Christian affection, called forth our esteem and admiration for him as one we all delight to honor. We were greatly refreshed to hear from him of gracious revivals in many places within the bounds of our General Conference. These are sufficient evidence to prove that God is
