TWELVE MILLION BUSHELS FOR EXPORT.
Mr. O'Shaughnessy, of the Canadian Pacific Railway, is credited with the statement that this year the Canadian North-west will have 12,000,000 bushels of wheat for export, the total crop of the region being 17,000,000 bushels.

OUR GLORIOUS CLIMATE.
While in Boston, New York, Philadelphia and Baltimore men are perishing almost daily from sunstroke and other ailments due to their lives in seaside and mountain resorts, we hear of the citizens of Halifax who are chilled to the marrow by the cold winds that sweep in from the north and west.

THE TARIFF QUESTION IN THE UNITED STATES.
There is no disguising the fact that Mr. Blaine's attitude towards the McKinley tariff bill has produced a serious rift in the Republican party which was none too strong before.

NOTE AND COMMENT.
Remember the monkey, over whose fate such a fight has been made, was executed by electricity in Auburn prison, New York. He suffered no pain and there was nothing in his execution to be compared with the revolting details of the old system of death by hanging.

The Toronto Mail appears to be in a state of profound dejection with things as they are and is looking about for another issue. It says: "There is dispute in both the old parties on the trade issue. On the Conservative side it is admitted that business is dull during the N. E. then the party papers deplore the outlook, and arise out of the fact that the N. E. has not yet been fully recovered from its depression."

Mr. Joseph Brennan, of the Harbours Board, is engaged by Miss Annie Drake for next season in "Shenandoah" now in the tenth week of its run in Chicago. Mr. Russell is eighty-four years of age.

These views are interesting to the people of Canada, and show that the Chinese system as illustrated in the McKinley bill is being its hold on the people of the United States.

from the Longue Pointe people as to the amount of their assets but during the conference in question between the Chief Justice and the learned judge, the latter admitted that they were worth \$150,000. Of course Mr. Robb's assets are not to be taken into account.

of dramatic interest. William Collier New Leads in the Most Popular Actor Contest. The frontispiece in the Dramatic News last week is a portrait of Miss May Ten Brock, comedienne and vocalist. She has been for a number of years one of the firm of Hays and Ten Brock.
