

ANNUAL REPORT

OF THE

Secretary of the Junior Branches.

RICHMOND AND MELBOURNE.

During the year twenty-eight meetings have been held with an average attendance of eight members, at our Annual Meeting our new officer was elected, twenty members on the roll.

JESSIE LANCE,
Secy-Treas.

This year has not been a very successful one, as our members are very young and not very capable of doing very much, in fact many have to be taught to sew, and the attendance has not been nearly so regular as we could wish. Patchwork is all that can be accomplished by so young a Branch. A very nice quilt was made by them and sent in the S. Aux. box that left for "Dynevor Indian Hospital" this week, also the Magazines that had been so kindly sent by the Dio. Lit. Sec. and had helped so much during the meetings here. We are always pleased to receive Magazines telling of Missionary work. At each meeting readings are given, also Missionary instruction.

Balance on hand \$1.63.

ACTONVALE.

The Junior Branch of the Woman's Auxiliary of St. Mark's, Actonvale, meets the first and third Tuesday of every month, from half-past three till half-past five in the afternoon. The meetings are regularly attended. Our members number seven, and take great interest in their work. A print quilt has been made by the members, and next meeting they are going to begin to piece a second; also, a number of articles of children's clothing have been made, and several pairs of stockings knit. We hope to send away our second bale soon.
