Cured by Cuticura.

I cannot say enough in praise of the CUTICURA REMEMBERS. My boy, when one year of age, was so had with electman that he logs all of his hair. His scalp was covered with eruptions, which the doctors said was scall-heard, and that his hair would never grow again Despairing of a cure from physicions, I began the use of the CUTICURA RIMSDEMS, and, I am happy to say, with the most perfect success His hair is now splendld, and there is not a pimple on him. I recommend the CUTICURA REMEMBERS to mothers as the most speedy, conomical, and sure cure for all skin diseases of including and children, and feet that every mother who has an efficited child will thank me for so doing.
