

FUND OF 35 TO 40 MILLIONS FOR PROPAGANDA AGAINST ALLIES IN THE UNITED STATES

Spent Under Immediate
Supervision of Count
Bernstorff and Dr.
Albert.

VAST SUM TO CREATE LABOR AGITATIONS

Providence, R. I. paper
brings to light some start-
ling facts concerning Ger-
man intrigues to injure
Allies' cause.

Providence, R. I., Dec. 1.—The Providence Journal says in a recent issue: "A vast fund of money amounting to between \$35,000,000 and \$40,000,000 has been spent in this country in the last four months for propaganda work against the Allies, under the immediate supervision of Count von Bernstorff, the German Ambassador, and Dr. Heinrich Albert, Privy Councillor, who described himself to a Journal representative as the 'fiscal agent' of his government."

"The Journal has a positive record of the receipt by Ambassador von Bernstorff and Dr. Albert of at least \$10,000,000 in the time mentioned. A great deal of this money has come through the Guaranty Trust Company, of New York, and most of it has been immediately transferred to the Chase National Bank and other banks in which Dr. Albert and Ambassador von Bernstorff keep a joint account."

"The Journal charges that not one dollar of this money has been spent for legitimate purposes, but that all of it is going for propaganda work of the most vicious description. One item alone, the maintenance of a bureau for dragging men out of munitions factories, amounts to many millions of dollars."

"The cost of sustenance of the consular service of Germany and the expenses of the Embassy reach the various officials through regular channels which are in no way connected with the fund referred to. It is believed that the entire cost of propaganda work conducted by Austrian consuls general is financed from the German fund."

"Accordance" Fund.

"Dr. Albert was interviewed in his office at room 74 of the Hamburg-American building, New York city, last Friday by a Journal representative and was asked point blank to state whether the financial transactions in which he had been recently involved covered legitimate operations, the character of which he could explain in general to the public. Dr. Albert immediately called in a secretary as a witness to the conversation and then replied:

"I am fiscal agent of my government in this country, and I am handling certain sums of money."

"Will you tell us," he was asked, "if you and the German Ambassador have joint funds in the Chase National Bank and a number of other banks in this country?"

"What is your purpose in asking me that question?" he replied. "He was told that the only purpose was to have him state, if he would so state, that whatever joint funds he and the Ambassador were carrying and however great the sum total of these funds was, they were being expended for lawful purposes."

"Dr. Albert refused to make any statement whatever in regard to this matter. He was then asked if he would deny that he had received personally over \$5,000,000 from his government in the last two months, and if he did not on September 5 receive, through the Guaranty Trust Company, the sum of \$2,000,000 for 'Accordance' work. At this question Dr. Albert was visibly thrown off his balance. The question was based on a wireless despatch received by the Guaranty Trust Company on September 5, through Bayville, purporting to come from the L. L. Mus Company of Berlin—really the Berlin Foreign Office—and which read as follows:

Got \$5,500,000 in Week.

"Accordance. Pay on application to Geheimrat Heinrich Albert, New York, two million dollars. Notify him. Let us know by wire when part of payment is done. Cable receipt of telegram."

"What do you mean by asking me a question like that?" Dr. Albert said finally. "We mean," said the Journal representative, "that 'accordance' is a code word used by both the German Ambassador and yourself in communicating with Berlin and that it designates the particular account for which the money is to be expended."

"Dr. Albert said, 'I refuse to make any statement whatever to the Providence Journal or to anybody else. I will make no statement, no matter what you print.'"

"It was immediately after the exposure of the contents of Dr. Albert's portfolio on August 15 that he began to receive these great sums of money."

Up to that time most of the pre-
mises for large sums from the
foreign Office had gone from Count
von Bernstorff, who, within a period
of a week, just before the breaking up
of the Huerta plot, got more than
\$3,500,000. The government has in its
possession evidence of these large
transfers.

On September 22 Dr. Dumba was
also violently affected with a distress-
ing financial shortage and sent the
following wireless message to his
Minister of Foreign Affairs in Vienna
from Lennox, Mass.:

"Wiederholend telegramme vom
funfzehnten wenn ich ihm zum sech-
sunwanzigsten laufenden monats
nicht zur annahme der von hiesiger
postverwaltung beilag von sechsh-
undert alftausend zweihundertsech-
und vierzig dollar fuer ungarische
postverwaltung ermachtigt werde bis
ich gesuwungen diesen gansen betrag
zurueckzahlen bitte bestaetigung
dieses telegramme."

Dr. Dumba's Plea for \$611,246
is as follows:

"I reiterate my telegram of the
15th. If I am not empowered by the
26th of the current month to receive
the sum of \$611,246 for the Hungarian
postal administration I will be com-
pelled to pay the whole amount."

beg you to acknowledge receipt of this
telegram."

"The words 'Hungarian postal ad-
ministration' are, of course, a blind
in this case, because under no cir-
cumstances could Dr. Dumba be ad-
dressing a communication to the Min-
ister of Foreign Affairs with regard
to such a matter. It is declared that
the amount referred to was connected
with a transaction through the Trans-
atlantic Trust Company and that the
reference to the Hungarian postal ad-
ministration means the Transatlantic
Trust."

"The Journal prints this morning
fac-similes of communication from the
Austrian Consul General in New York,
and the Austrian Consul General in
Philadelphia to individual workers in
munitions factories who have written
to them for an explanation of the ad-
vertisement appearing in a great
number of foreign language newspa-
pers, and threatening such workers with
dire penalties unless they withdrew
at once from their employment."

"This advertisement, which is still
being inserted and paid for by Consul
General von Naber, in spite of the fact

that it is part of the propaganda for
which Dr. Dumba was dismissed, reads
as follows:

"The Imperial and royal Austro-Hun-
garian Embassy, acting under orders
from the home government, gives no-
tice by this announcement to all Aus-
trian and Hungarian citizens, includ-
ing the men that belong to Bosnia and
Herzegovina, in conformity with para-
graph 327 of the Austrian military
criminal law, that all workmen who
are employed in factories in this coun-
try which are making either arms or
ammunition for the enemies of your
country are committing a crime
against the military safety of your fa-
therland. This crime is punishable
by from ten to twenty years impris-
onment, and in especially aggravating
circumstances with the penalty of
death. Against those who violate this
order the whole weight of the law will
be brought in the event of their return
to their own country."

Fight on Croatian Society
"The Journal has positive proof that
the advertisement is still appearing
in great numbers of Austro-Hun-
garian newspapers throughout the coun-
try and that it is being paid for direct-
ly by the Austro-Hungarian govern-
ment."

An example of the methods pursued
in this country by Austrian consuls
in their efforts to compel closest ad-
herence to Austria-Hungary among
both naturalized and unnaturalized cit-
izens in the United States, is shown
by the following communication sent
to the Austro-Hungarian Embassy in
Washington by Baron von Hausen, Con-
sul at Pittsburgh, who is one of the men
who recently vigorously denounced Dr.
Gorlick as a liar and a Benedict
Arnold. Baron von Hausen writes
as follows:

"The Imperial and Royal Consulate
of Austro-Hungary, Pittsburgh.
"In re Southern Slav propa-
nda:—
"To the Ambassador, Washington.
"To stop once and forever the
work carried on among the Croats in
the United States by the National
Croatian Society this Imperial and
Royal Consulate has taken upon it-
self to prevent the re-election of the
present supreme committee of that so-
ciety."

"The National list in New York
and our loyal Croatian paper in this
city have been for a long time carry-
ing on a keen campaign against Nar-
dout and his cohorts. The National
Croatian Society is a very prominent
society in America, and in the opin-
ions of this consulate it is of very
great importance that we succeed in
overthrowing the present adminis-
tration."

Make Your Hair Curly and Wavy Over Night!

To curl the hair, without at the same
time burning the life out of it, nothing
equals plain liquid silsilina. If a little be
applied to the hair with a clean tooth
brush before retiring, the loveliest wavy
effect imaginable will be in evidence in the
morning. It will also be found an excel-
lent dressing for the hair.
This simple method is not to be com-
pared with curling by means of a hot iron
because, instead of injuring the hair, it is
really beneficial. A few ounces of the
liquid, which may be procured at any drug
store, will last for months. One can curl
the hair in any style desired and the effect
will be one of perfect naturalness. The
best way is to divide the hair into strands
and moisten each of them from root to tip.
The hair will be beautifully glossy, yet
without the least greasiness or stickiness.

J. Rufus

"Should we decide to
do it, a Herring and

could make a fortune
for YOU."

Oh, that Wallingford, the irrepressible,—he broke loose in the papers
the other day and had all the city wondering what in the world he was
getting at. "Invest a dime in the movies and make \$158,976.23,"
"Watch our herring lay 1,000,000,000,000,000,000,000 eggs
and watch us monopolize the herring market."

But with regret it is announced that Mr. Wallingford's plan to get 10,-
000 people to invest a dime is delayed, owing to the panic in the her-
ring schools, due to the Alsatian-Dalmatian conflict. But Mr. Walling-
ford, in the generosity of his heart has been persuaded on to do some-
thing else for you, and this is it.

THE NEW ADVENTURES OF J. RUFUS WALLINGFORD

Collaborating with Mr. Chester is Charles W. Goddard, dramatic
author of

hold on the public's tastes and whims which he has satisfied better than
any man who ever made a motion picture, is greater today. And his
Wallingford pictures will outrank his past successes tremendously,—
will outrank "Elaine" and "Pauline."

Wallingford has blossomed to reality in great Pathe motion pictures,
under the direction of Wharton Bros., who made "Elaine" and "Paul-
ine." The name part is taken by Burr McIntosh, who is a master of
a player, while Blackie Daw is none other than Max Figman. Lolita
Robertson plays Violet superbly.
