OUR COMPETITIONS

For Boys and Girls

Can You Find Names of Trees?

This competition is not difficult. In each section will be found the name of a tree—all well known trees. Some of the letters in the name are to be found in one word and the remainder in the next word or words, the letters running on in proper order. Here is an example: "Her father was a butcher; Ryder was his name." Now, the last four letters in "butcher" and the first two letters in "Ryder" spell "cherry." This is the name of the tree meant. Now go ahead with the following:

1. She wore a lovely bon, khaki was the color of her costume.
2. Before he boarded the vessel many friends bade him "good-bye."
3. She sealed up in envelopes all the pretty cards.
4. Adjusting his skates he took to the ice, darted off, and disappeared from view.
5. It was a strong box made entirely of iron.
6. There's not a land on this world's map (Let none say these words from me) Like Canada, the land I love, Where plenty reigns and all are free.
7. He had always enjoyed good health, but is now ill, owing to carelessness in diet.
8. The loud cries of the babe echoed thro' the surrounding hills. To the two kiddies who send in the most correct and neatly written results, I shall award a beautiful story book. All entries must reach this office by Wednesday, 22nd March, accompanied with the usual coupon, and addressed to:

MILITARY BALL

GREAT SUCCESS

Brilliant Scene Last Night in K. of C. Hall—Modern Dances Give Way to Old Time Ones.

One of the most enjoyable gatherings held in St. John in some years was a dance given last evening by the 104th Battalion in the Knights of Columbus Hall, Coburg street. The invitation list included headquarters staff and the officers of all the military units in the city, as well as the officers of the 104th.

Upwards of 150 guests were present and were received by Lieut.-Col. and Mrs. Beer, Mrs. Travers, Major Perley and Captain and Mrs. Lounsbury. Mrs. Perley owing to slight illness was unable to be present. Music was furnished by Jones' Orchestra. The floor was in ideal condition and all circumstances combined to make the affair in every way enjoyable. The catering being looked after by Bond and Scott. The programme of dances, which was a somewhat lengthy one, was almost a reversion to old time affairs, inasmuch as the so-called modern dances were not in evidence. The affair broke up at two o'clock.

Following is the dance programme:

1. Waltz..... 2. Two Step.....
3. One Step..... 4. Militaire.....
5. Waltz..... 6. Two Step.....
7. One Step..... 8. Lancers.....
9. Waltz..... 10. One Step.....
11. Waltz..... 12. Two Step.....

GIRLS! BEAUTIFY

YOUR HAIR AND STOP DANDRUFF

Hair becomes charming, wavy, lustrous and thick in a few moments.

Every bit of dandruff disappears and hairs stop coming out.

For 25 cents you can save your hair in less than ten minutes you can double its beauty. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and charming as a young girl's after applying some Danderine. Also try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

Wetmore; recitation, D. Fowler; song by the boys; story by P. J. Legge, the boys' work secretary. At the close of the program refreshments were served and the gathering broke up about ten o'clock.

How You May Reduce Your Weight

Overstoutness is a very unpleasant condition, especially in the present day, when slender figures are so fashionable, and every reader of this paper has noticed the tendency of some people to put on an excessive amount of fat.

If you happen to be one of those whose weight is more than it should be, don't try to starve yourself, eat all you want, but go to your drugist and get oil of orlaine in capsule form and take one with each meal.

Oil of orlaine increases the oxygen-carrying power of the blood and dissolves the fatty tissue, in many cases at nearly the rate of one lb. per day. Be sure to get oil of orlaine in capsule form. It is sold only in original sealed packages. Any good drugist has it, or a large size box will be sent on receipt of \$1.00. Address P. J. Legge, The Drug Co., Box 1240, Montreal, Can.
