Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. FLOUR. 2 casks OCHRES; Flour. Flour. English and Scotch Tweeds, disorders, which were agravated by the scroftlous contamination until
they were painfully afflicting, have been radically
cured in such great numbers in almost every section of the country, that the public scarcely need to
be informed of its virtues or uses.

Scrofulous poison is one of the most destructive
enemies of our race. Often, this unseen and unfelt
tenant of the organism undsrimines the constitution,
and invites the attack of enfeeling or fatal diseases,
without exciting a suspicion of its presence. Again,
it seems to breed infection throughout the body, and
then, on some favorable occasion, rapidly develop
into one or other of its hideous forms, either on the
surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or
heart, or tumors formed in the liver, or it shows
its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease
appear. Persons afflicted with the following complaints generally find immediate relief, and, at
length, cure, by the use of this SARSAPARILLA: St. Anthony's Five, Rose or Enysipelas,
Tetters, Salt Rheum, Scald Head, Engyworm,
Sore Eyes, Sore Ears, and other eruptions or
visible forms of Scrofulous disease. Also in the
more concealed forms, as Dyspepsic, Droppy,
Heart Disease, Fits, Epilepsy, Neuralgia,
and the various Ulcerous affections of the muscular and nervous systems.

Symbilis or Venereal and Mercurial Diseases
are cured by it, though a long time is required for
subduing these obstinate maladies by any medicine.
But long continued use of this medicine will cure
the complaint. Leucorrhae or Whites, Uteriae,
and Female Diseases, are commonly soon relieved and ultimately cured by its
purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when
caused by accumulations of extraneous matters
in the blood, yield Saint John, N. B., THE ROYAL Newest Patterns. Via HALIFAX, following S. S.
