New York, Jan 18-From the Shipping List-Berth business continues very dull, and rates have but a feeble support, so far as the leading ports in Great Britain sreconcerned. For charter there is a brisk demand for vessels adapted to the partoleum and sugar trades and, with a light supply, rates are very strong, and, for oil, advancing. There has been some business in tonnage to arrive at rather fuller rates than have been paid for available vessels. Long voyage business continues dull, and rates are materially lower than those along back.
