GOSSIP.

In writing to advertisers, mention the "Farmer's Advocate."
Mr. D. A. Graham, Parkhill, Ont., offers for sale well-bred Berkshires, and high-class poultry of various good sorts, in this issue. Mr. Graham is moving onto another farm, and cannot house all his stock, hence the offerings, which should be taken advantage of.
Colwill Bros., Newcastle, Ont., write under date of October 17th:—"We are selling considerable stock, and getting inquiries every week. We have been very successful at all the fall fairs, having won the diploma at both Whitby and Bowmanville, for the best Tamworth boar and two sows. We had a clean sweep in all the young stock. We may not have as large a herd as some, but we have as good a lot of young Tamworths as can be found."

Mr. Arthur Johnston, of Greenwood, Ont., changes his advertisement in this issue, and informs this office that the Greenwood herd was never in better breeding form than at present. The young things, especially the yearlings, are a splendid lot, and though not in high flesh, they are looking exceedingly well. There are twenty-one yearlings, eight of which are imported, and four out of imported cows, and sired by imported bulls. The young bulls are an equally nice lot, but they are leaner than usual. The recently imported lot are still in quarantine. They are expected home on or about December 1st.

Mr. James Boden, Manager of Mr. Ogilvie's fine herd of Ayrshires, at Ann's Que., writes:—"I have made another large sale of seven head, through Mr. Peer, to W. E. H. Massey, of Toronto. They were a fine lot, including two of our best show cows. Also to Alex Hume, of Monie, our imported two-year-old bull, Caspian. He was calved on the way over from Scotland. His dam was the finest in our lot. She was first all over as a year-old and a two-year-old, and also first as a three-year-old. The day that I bought her, in a very large class at Ayr. She was a cow of great size, and a milkier of the right sort, and had as fine a vessel as I ever saw on a cow. Caspian's sire is a great breeder of big dairy stock. The dam of his sire was the champion milk cow at Kilmarnock and Ayr shows, and was a great milkier; and this young bull's calves have every appearance of making the sort that is wanted. Mr. Benning, of Williamstown, has some beauties from him, and we have a good sample of them here. I have also bought four two-year-old heifers from Mr. Hume. They are daughters of White Chief of St. Ann's, which, I think, will give a good account of themselves yet."

HORSE SHOW AT MADISON SQUARE GARDENS.
The fifteenth annual horse show, which will be held at Madison Square, New York, on November 13th to 18th, will undoubtedly prove a brilliant affair. A prize list of \$30,000 in premiums is in itself attractive, and no expense is being spared to complete the preparation for the notable event. A number of changes are made in the classifications, such as setting apart separate classes for dealers' competitions, and barring their entries showing in the open classes. For years pressure has been brought to bear to bar out first-prize winners, so that second-class horses might have an opportunity to win. The change has been made, and this year horses that have previously won a first prize at this show will not be eligible to compete in the same class again, but may show in the championships. The previous first-prize horses may be shown in other classes, if they can be made eligible in other respects, and the new rule does not apply to classes in which championships are not provided. A qualification of the new rule is that stallions that have won with their progeny may again be exhibited with another set of colts. We notice that the judges for Hackneys are Dr. Andrew Smith, Toronto; R. P. Sterrick, Janesville, Wis.; and Robt. Graham, of Graham Bros., Claremont, Ont.

THE COLLYNIE AND UPPERMILL SALE OF SHORTHORNS.
At the annual joint sale of Shorthorns, the property of Messrs. Duthie and Marr, the highest price for a bull calf was 305 guineas. Two others sold for 300 guineas each, and Messrs. Cargill & Son, Cargill, Ont., secured Golden Drop Victor at 290 guineas. He is a red bull, calved December 26th, 1898, and was sired by Nonpareil Victor, dam Golden Drop 11th, by Emancipator. The average worked out as follows:—

Mr. Duthie's, of Collynie.		Average.	
20 Bull calves.....	£123 18 0	4	0
5 Cows.....	60 5 4		
1 Two-year-old heifer.....	52 10 0		
2 Yearling heifers.....	74 0 6		
10 Heifer calves.....	43 9 4		
38 Head.....	£ 89 17 2		
Mr. Marr's, of Uppermill.			
16 Bull calves.....	£116 18 10		
8 Cows.....	40 13 9		
3 Two-year-old heifers.....	26 5 0		
3 Yearling heifers.....	34 6 0		
30 Head.....	£ 79 5 6		

These figures bear very favorable comparison with those realized at the corresponding sale last year, when Mr. Duthie's draft of 24 bull calves averaged £23 8s. each, and Mr. Marr's draft of 19 made over £76 each. The top price on that occasion was, however, better than that of this year by 25 guineas, one of Mr. Marr's calves then making 330 guineas.

Sires of Bull Calves.
The following table shows the average prices of the bull calves got by the principal sires used in both herds:—

Spicy Robin (8).....	£ 78 12 4
Spicy Monarch (5).....	53 11 0
Ringleader (1).....	105 0 0
Wanderer (6).....	101 6 6
Royal Leader (1).....	50 8 0
Golden Victor (1).....	317 12 6
Pride of Morning (2).....	204 10 9
Lord of Fame (5).....	172 4 0
Nonpareil Victor (2).....	81 18 0
Count Arthur (2).....	61 19 0
Golden Fame (2).....	168 0 0
Centaur (1).....
