

**JUDSON'S
CHEMICAL EXTRACT OF**

**CHERRY AND LUNGWORT,
FOR THE CURE OF
Coughs, Colds, Hoarseness, Spitting
of Blood, Night Sweats, Asthma,
Liver Complaints, and
CONSUMPTION.**

**DO NOT NEGLECT IT.
CONSUMPTION**
Can and has been cured in thousands of cases by
JUDSON'S CHEMICAL EXTRACT OF
CHERRY AND LUNGWORT,
and no remedy has ever before been discovered that will
certainly
CURE CONSUMPTION.

The most strongly marked and developed cases of Pul-
monary Consumption, where the lungs have become dis-
eased and ulcerated, and the case so utterly hopeless, as
to have been pronounced by Physicians and friends, to be
past all possibility of recovery, have been cured by this
wonderful remedy, and are now as well and hearty as
ever. It is a compound of medicaments which are pecu-
liarly adapted to and essentially necessary for the cure of
COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the
phlegm which creates so much difficulty, relieves the
cough, and assists nature to expel from the system all
diseased matter by expectoration, producing a delightful
change in the breathing and chest, and this, after the pre-
scriptions of the very best medical men and the inven-
tions of kind and sorrowing friends and Nurses, have failed
to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE
persons have been deceived repeatedly in buying medi-
cines which were said to be infallible cures, but which
have only proved palliatives, but this medicine is not only
a palliative but a cure for ulcerated lungs. It contains
no delective drugs, and one trial will prove its aston-
ishing efficacy better than any assertions or certificates in
curing consumption and all diseases of the Lungs, such as
Spitting of blood, coughs, pain in the side, night sweats,
&c. &c.

About 1000 certificates of almost miraculous cures, per-
formed by this medicine, from some of the first Doctors,
Clergymen, and Merchants, have been sent us for this me-
dicine, but the publication of them looks too much like
quackery (will show them to any person, calling at our
office). This medicine will speak for itself and enough in
its own favour wherever it is tried.

CAUTION.—This medicine is put up in a large bottle, and
the name of Judson & Co., Proprietors, New York, on the
sealed Wrapper around the Bottle. All orders must be
addressed to Comstock & Brother, No. 9 John Street,
New York.

EAST INDIA HAIR DYE.
Colours the Hair, and not the Skin.

This dye may be applied to the hair over night, turning
the lightest RED or GREY HAIR to a dark brown, and
by repeating a second night, to a bright jet black. Any
person may, therefore, without the least possible trouble,
keep his hair any dark shade or perfect black; with a pos-
sitive assurance that the dye, if applied to the skin, will
not colour it. By an occasional application, a person
coming grey will never be known to have a grey hair.
Directions complete with the article. There is no col-
ouring in this statement, as one can easily test.

These facts are warranted by the gentleman who man-
ufactures it, who is the celebrated Chemist, Dr. COM-
STOCK, author of Comstock's Chemistry, Philosophy,
and other works, and School Books, well known and
widely celebrated by the public.

DEAFNESS.
Use Dr. LARZETTE'S ACQUITT OIL, for the cure of
Deafness. Also, all those disagreeable noises, like the
buzzing of insects, falling of water, whizzing of steam
which are symptoms of approaching deafness. Many per-
sons who have been deaf for ten, fifteen, or twenty years,
and were subject to use ear trumpets, have after using
one or two bottles, thrown aside these trumpets, being
made perfectly well. It has cured cases of ten, fifteen,
and even thirty years standing deafness.

**CARLETON Condition Powders for
Horses and Cattle.**
The changes of weather and season, with the change of
use and feed, have a very great effect upon the blood and
sensitive fluids of horses. It is at these times they require
an assistant to care to throw off any disorder of the
fluids of the body that may have been rubbed, and which,
if not attended to, will result in the Yellow Water,
Heaves, Worms, Bots, &c. All of which will be prevent-
ed by giving one of these powders, and will cure when
disease appears, if used in time. They purify the blood,
remove all inflammation and fever, loosen the skin, cleanse
the water, and invigorate the whole body, enabling them
to do more work with the same feed. The action of
these powders is direct upon all the secretory glands, and
therefore has the same effect upon the Horse, Ox, and all
and all Herbivorous animals—all diseases arising from or
producing a bad state of the blood, are speedily cured by
them.

Remember and ask for **CARLETON'S CONDITION
POWDERS,** and take no others.

FOR MALE AND FEMALE.
DR. LARZETTE'S JUNO CORDIAL, or Procreative
Elixir, prescribed as an effectual restorative in cases of
Debility, Impotency, or Barrenness, and all irregularities
of nature. It is all that it professes to be, viz : Nature's
Great Restorative, and remedy for those in the married
state without offspring. It is a certain cure for Seminal
emissions, General Debility, Gleet, Weakness of the Genital
Organs, Nervous Affections, Leucorrhoea or Whites. As
an invigorating medicine it is unequalled. Also, a certain
remedy for Incipient Consumption, Indigestion, loss of
Muscular Energy, Physical Lassitude, Female Weakness,
Debility, &c. It is warranted to please the user in any of
the above complaints, and is of priceless value to those
without offspring.

**Caution to be carefully read and
remembered.**
A counterfeit of this celebrated Juno Cordial has lately
been issued, having the name of LEVI JUDSON on the
wrapper.
Remember that the counterfeit has the name of Levi
Judson on the wrapper, and the genuine has NOT his
name on the wrapper.

CARLTON'S LINIMENT FOR THE PILES, &c.
It is now used in the principal hospitals, and in the
private practice in our country by an immense number of
individuals and families, first and most certainly for the
cure of the PILES, and also extensively and effectually as
to build up credit unless where its effects are witnessed,
Extensively in the following complaints :
For Dropsy—Treating extraordinary absorption at once.
Smellings—Reducing them in a few hours.
Rheumatism—Acute or Chronic, giving immediate ease.
Sore Throat—By Cancer, Ulcers, or Colds.
Croup and Whooping Cough—Externally and over the
chest.
All Bruises, Sprains and Burns, Curing in a few hours.
Sores and Ulcers—Whether fresh or of long standing,
and lever sores.
Its operation upon adults and children in reducing
rheumatic swellings, and loosening coughs and tightness
of the chest by relaxation of the parts, has been surprising
beyond conception. The common remark of those who
have used it in the Piles, is "It acts like a charm." It is
warranted to please any person that will try it.
Caution—Never buy it unless you find the fac simile
signature of Comstock & Brother, proprietors, on the
wrapper of the genuine article.

**AMERICAN
Temperance Life Insurance Company,
Capital \$100,000.
HARTFORD, CONNECTICUT.
MUTUAL COMPANY.**

Incorporated by the State of Connecticut, and officially
approved by the Comptroller of Public Accounts.

J. Burton, Agent for Nova Scotia.

The friends of Temperance in
this State have recently procured
a Charter for a Life Insurance
Company, with a view to insure the
lives of Temperance men, by themselves,
that they may secure the advantages
of their temperance principles without
being subject to pay losses incurred by
intemperance.

It is a well settled fact in the history
of Life Insurance Companies that full
twenty-five per cent. of their losses
are traceable to the remote or direct
influence of alcoholic stimulants upon
the human system. Total abstinence
men, if insured in common with men
of intemperate habits, will be com-
pelled to share in paying losses in-
curred by this practice. They do not in-
sure them upon an equality with oth-
er men.

It is the design of our Company to
insure none but temperance men, and
to give them the full benefits of their
temperance principles, both in the re-
duced rates of insurance and the full
earnings of the Company, after de-
ducting expenses. We have here-
unto appended our table of rates. It will
be seen that they are twenty-five per
cent. lower than the rates of most mu-
tual Companies. Our premiums are
to be paid in cash, but if upon our
present rates, it shall be found that
annually after the rate of intemper-
ate liquor as a beverage, shall make
a greater difference in the value of
life, than we have estimated, the
insured receive the full benefit, for
we propose paying all profits in cash
annually after the usual fund of \$200,
000 has accumulated.

In this Company those who are in-
sured for life, and thus propose to
share the profits of the business, not
only have the same security as fur-
nished by the best conducted Mutual Com-
panies, but they have the entire earnings
of the Company on the low rates, af-
ter deducting expenses; and in addi-
tion to this, every dollar of the capital
(\$100,000) is liable for the payment of
losses. This we believe affords a more
secure security to the public, and pre-
sents decided advantages over any
other Company in the country, for
there is no one in our knowledge, orga-
nized upon this plan.

**THE ROAD TO HEALTH!
HOLLOWAY'S PILLS.
CURE OF A DISORDERED LIVER AND BAD
DIGESTION.**

Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7,
Prescot Street, Liverpool, dated 6th June, 1851.
To Professor HOLLOWAY.
Sir,—Your Pills and Ointment have stood the highest
on our sale list of Proprietary Medicines for some years.
A customer, to whom I can refer for any enquiries, desires
me to let you know the particulars of her case. She had
been troubled for years with a disordered liver, and bad
digestion. On the last occasion, however, the violence
of the attack was so alarming, and the inflammation set
in so severely, that doubts were entertained of her not
being able to bear up under it; fortunately she was in-
duced to try your Pills, and she informs me that, after the
first, and each succeeding dose, she had great relief. She
continued to take them, and although she used only three
Boxes, she is now in the enjoyment of perfect health. I
could have sent you many more cases, but the above, from
the severity of the attack, and the speedy cure, I think,
speaks much in favour of your astonishing Pills.
(Signed) R. W. KIRKUS.

**AN EXTRAORDINARY CURE OF RHEUMATIC
FEVER, IN VAN DIEMEN'S LAND.**

Copy of a Letter inserted in the Hobart Town Courier,
of the 1st March, 1851, by Major J. Waick.
Margaret McConnigan, nineteen years of age, residing
at New Town, had been suffering from a violent rheuma-
tic fever for upwards of two months, which had entirely
deprived her of the use of her limbs; during this period
she was under the care of the most eminent medical men
in Hobart Town, and by them her case was considered
hopeless. A friend prevailed upon her to try Holloway's
celebrated Pills, which she consented to do, and in an
incredible short space of time they effected a perfect cure.

**CURE OF A PAIN AND TIGHTNESS IN THE
CHEST AND STOMACH OF A PERSON
84 YEARS OF AGE.**

From Messrs. Thew & Son, Proprietors of the Lynn Ad-
vertiser, who can vouch for the following statement.
—August 2nd, 1851.
To Professor HOLLOWAY,
Sir,—I desire to bear testimony to the good effects
of Holloway's Pills. For some years I suffered severely
from a pain and tightness in the stomach, which was al-
so accompanied by a shortness of breath, that prevented
me from walking about. I am 84 years of age, and not-
withstanding my advanced state of life, these Pills have
so relieved me, that I am desirous that others should be
made acquainted with their virtues. I am now rendered,
by their means, comparatively active, and can take ex-
ercise without inconvenience or pain, which I could not
do before.
(Signed) HENRY COE,
North Street, Lynn, Norfolk.

**AN EXTRAORDINARY CURE OF THE GRAVEL,
AND A MOST DANGEROUS LIVER COMPLAINT.**

Copy of a Letter addressed to J. K. Heydon, Esq., Sydney
New South Wales, dated February 25th, 1851.
Sir,—A Mr. Thomas Clark, a Settler at Lake George,
was for a considerable time seriously afflicted with a
complaint of the Liver, together with the Gravel. His
medical attendants, after trying all their skill, candidly
told him that his case was hopeless, and any further
efforts useless. In this situation, and when expecting
every day would terminate his existence, a friend recom-
mended him to try Holloway's Pills and as a forlorn hope
he did so, the first dose gave him considerable relief, he
thereupon persevered in taking them according to the
directions, and is now restored to perfect health. He will
feel great pleasure in confirming this statement, or even
make an affidavit to the same effect, should it be required.
(Signed) Wm. JONES, Proprietor of the
Goulburn Herald, New South Wales.

**WONDERFUL EFFICACY OF HOLLOWAY'S PILLS
IN CASES OF DROPSY.**
