

THE CROWNING TRIUMPH OF THE BELL ORGAN!

The Bell Organs have just received the HIGHEST AWARD and SPECIAL PRIZE (Gold Medal), at the International Exhibition, Sydney, Australia, this year, for their Organs over all the English and American makers. This among with the unnumbered awards, prove that
THE BELL ORGANS LEAD THE WORLD.

The Bell Organ Manufactory is the largest and oldest in the British Empire, and the fact that we have sold nearly 15,000 proves that they are the best in the market. We guarantee all our Organs for five years.

It will give the subscriber much pleasure to forward, post free, to any address, on application, pamphlet containing instructions and information that have been found of the greatest practical use to manufacturers and consumers of machinery oil in Canada. It contains the fullest information as to the different kinds of oils, their qualities and uses, thus enabling the consumer to make choice of the very oil best adapted to his wants, and also enables the merchant to select the kinds most likely to be in demand in his neighborhood. This pamphlet shows conclusively that oils properly manufactured from petroleum, are vastly superior to any animal or vegetable oil. I am now making the same qualities of "Extra" and "XX" oils I manufactured from 1870 to 1878. They are guaranteed not to thicken with extreme cold, and warranted to give satisfaction in every particular. Beware of Agents soliciting your orders without my trade-marked order-book. Address
