

## Get These Hose!

### Six Pairs Guaranteed Six Months Save Money!

Holeproof Hose are the world's finest. They are worn every day by more than a million MEN, WOMEN AND CHILDREN. They cost 25c to 50c a pair in boxes of six pairs, *guaranteed* six months. Everybody can now buy their hose by the *year* instead of by the *pair*.

Every stitch, every thread of "Holeproof" is protected, not just the heels and toes. If a thread "runs" or breaks anywhere, you get a new pair free. The lightest weights in the cotton hose are guaranteed the full six months. The silk "Holeproof" for men and women now make silk hose an *actual economy*, for they last longer than common hose made from inferior cotton. Three pairs of silk are guaranteed three months. Three pairs of men's cost \$2, women's \$3.

### End Darning Now!

You women who darn are wasting your time since there are hose like these. You men who are wearing darned hose are undergoing needless discomfort. Here are hose that are soft, lightweight and close-fitting, made with the costliest

yarn produced. We pay an average price for it of 70 cents per pound. Common yarn sells for 30 cents. But our yarn is long fibre, soft but strong. That's why we can guarantee the hose. We can sell these hose at the prices of common kinds because we make so many pairs.

## The Scrap Book

Name Counted.—"Still at Billson's lodging house, are you not?"  
"No, at the Cholmondeley Apartments."

"When did you move?"

"Didn't move. They just changed the name and put up the rent."—Boston Transcript.

The Condition.—He—"I am a millionaire. Haven't I money enough for both of us?"

She—"Yes, if you are moderate in your tastes."—New York Sun.

Missing Many.—Rivalry amongst motor-car manufacturers is acute, if good-natured. At a dinner of manufacturers' representatives one guest dwelt at length on the remarkable popularity of his car and the wonderful organization of its selling force.

"Why, just think of it, gentlemen," said he, "last month our sales averaged a car every two minutes of each working day. There was never anything like it."

When he had concluded the representative of a rival factory arose and remarked: "With the last speaker's permission, I would like to offer my compliment on his statement that there's one of his cars sold every two minutes."

Permission was granted. "I understand you to say that you call that good salesmanship. Am I right?"

"I certainly do," affirmed the previous speaker.

"Well, I don't; that's all. I call it mighty poor salesmanship—there's no other name for it. The gentleman forgets the universally accepted truth that 'there's a sucker born every minute.'"

Well Defined.—Our notion of tact is keeping a friend after said friend has purchased an automobile.—Punch.

Or Both Talk At Once.—Peckham—"My wife talks, talks, talks all the time."

Underthum—"You're wrong. She must listen part of the time or my wife wouldn't be with her so much."—Boston Transcript.

Where They Do It.—"Oh, the ease with which some men can master great difficulties!" sighed the sweet maid.

"Oh, yes, I read novels, too," commented the young man.—Brooklyn Life.

Discovered.—In Dublin a car driver was caught by a zealous policeman in the act of driving furiously. The policeman stopped him and said: "Ye must give me yer name."

"But I won't give ye me name," said the driver.

"Ye'll get yerself into trouble," said the policeman, "if ye don't give me yer name."

"I won't give ye me name," said the driver.

"Phat is yer name, now?" asked the angry policeman.

"Ye'd better find out," said the driver.

"Sure and I will," said the policeman.

He went round to the side of the car where the name ought to have been painted, but the letters had been rubbed off.

"Aha!" said the policeman, "now ye'll get yerself into worse disgrace than ever. Yer name appears to be obliterated."

"Ye're wrong!" roared the driver. "Tis O'Brien!"

The Reason.—"The trouble is that my boss has favourites. You can't deny it."

"I won't deny it. But have you noticed that his favourites do all the hard work about the place?"—Louisville Courier-Journal.

Sized Up.—"That young Galey is a chip of the old block, isn't he?"

"Rather a tooth of the old rake."—Judge.

Where Her Mind Was.—Latin Teacher—"Now you may give me an example of the dative."

High-School Girl (with her mind elsewhere)—"I will meet you at eight o'clock."—Puck.

## Just WHY

## Old Dutch Cleanser

Is a

Pure  
Hygienic

Cleanser  
For

Cutlery

& all

Food  
Utensils

Because the Cleanser is entirely free from Acid, Caustic and Alkali. It is mechanical in its action—avoid dangerous chemical cleansers.

Wash steel knives and forks, etc., then sprinkle a little Cleanser on a damp cloth and rub over a few times. Wash again and wipe dry. This is a great improvement over the old-style scouring brick.
