

# The Dalhousie Gazette Housing Survey

Now and again the <sup>Gazette</sup> hears tales of a student housing shortage in Halifax. One also hears tales of good deals and rip-offs that occur. Since housing is a big concern for students, after all everyone needs a quiet place to study as well as somewhere to crash after a party, the <sup>Gazette</sup> would like to hear about your housing beefs and praises. This way it can be determined what problems most students face. Who knows what discoveries or solutions might be found.

How much rent do you pay a month?

What services are provided (please circle)  
kitchen facilities, cooked meals, neither

Is your place furnished?

How close to campus are you?

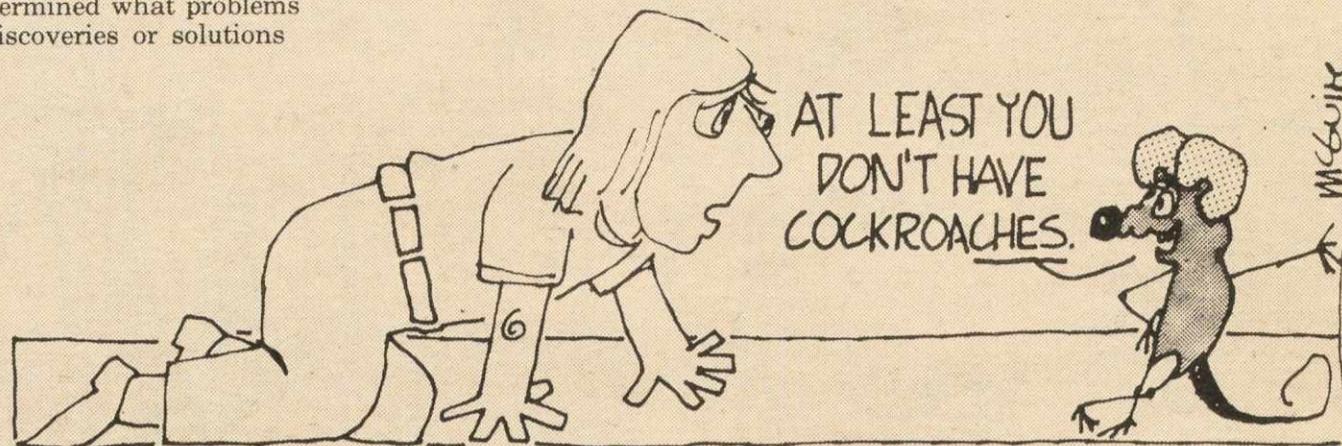

How long does it take you to commute by bus or foot?

If you live away from home, when did you find a place to live, in the summer or when you arrived for school in September?

Did you find the place on your own or did the housing office help?

How long did it take you to find a place to live, and was much effort required?

Are you happy with your accommodations? Explain.

While this survey is quite a voluntary thing on your part, we'd like to press our luck and ask one more favour. The inclusion of your name and phone number so we could, at random, pick isolated cases to elaborate on would be helpful. The <sup>Gazette</sup> promises total anonymity and huge amounts of gratefulness for your extra cooperation. As well, the sooner the surveys could be handed in, the better. Please drop off the surveys at the Killam Library, the SUB Enquiry Desk, at the <sup>Gazette</sup> (3rd floor of the SUB) or anywhere you see marked envelopes.
