Winnipeg, Man.,
September 18, 1933.

My dear Janice:

I am very sorry indeed not to have had a chance to talk to you before leaving.

Miss Edmondson, of course, told you the report I got on Mr. Stirling, which was very favourable indeed. Was glad to get this because legal action, especially against one's own lawyer, is very undesirable if it can be avoided.

If you are writing to Lenore tell her that I have been going very hard in an effort to get away, and left for Winnipeg, Calgary and the Coast Saturday night.

Will at least telephone Lucille while in Vancouver.

Meantime, very best regards,

Sincerely yours,

James Bridgeman
